

To all Members of the Planning Committee

You are hereby summoned to attend a meeting of the **PLANNING STANDING COMMITTEE** to be held in the **EXHIBITION ROOM** at **THE CIVIC, HUDDERSFIELD ROAD, HOLMFIRTH HD9 3AS** on **MONDAY 26 SEPTEMBER 2022** at **700pm** to transact the following business: -

**- AGENDA – (A)**

**Welcome**

**Open Session at Planning**

**7.00 pm**

At the commencement of the meeting, there will be an open session lasting up to 15 minutes, for members of the public to address Members of the Committee in connection with planning applications to be considered at the meeting. This session allows both applicants and objectors to address Members. Any other information relating to items on the agenda will be considered as part of the agenda item.

Issues/concerns/information not related to any item on the agenda will be considered at a later date or referred to the appropriate body.

**2223 66      Public Bodies (Admission to Meetings) Act 1960 amended by the Openness of Local Government Bodies Regulations 2014 on 6 August 2014      7.15 pm**

As Local (Parish and Town) Council meetings can now be recorded, the Chairman to check if any members of the public wish to record the meeting, to ensure reasonable facilities can be provided. The meeting is already being recorded by the Officer for public broadcast via the Holme Valley Parish Council YouTube channel.

**2223 67      To accept apologies for absence      7.16 pm**

**2223 68      To receive Members’ and Officers’ personal and disclosable pecuniary interests in items on the agenda      7.17 pm**

**2223 69      To consider written requests for new DPI dispensations      7.18 pm**

**2223 70      To consider whether items on the agenda should be discussed in private session      7.19 pm**

- Any recording to be halted during such items and members of the public asked to leave the meeting.

**2223 71      To confirm the Minutes of the Previous Meeting      7.20 pm**

- Minutes of the Planning Committee meeting held on 15 August 2022, numbered 2223 50 – 2223 65 inclusive **(B)**

**2223 72      Completed Kirklees Planning Applications List      7.21 pm**

- To note List 2223-04 updated with the views of the Committee. **(C)**

# Holme Valley Parish Council

- 2223 73**      **Kirklees Council - New Planning Applications**      **7.22 pm**
- To consider, new or amended applications received by Kirklees Council from 9 August 2022 to 21 September 2022 inclusive – List 2223-05 enclosed **(D)**
- 2223 74**      **Kirklees Council - Planning Officers' Decisions**      **8.10 pm**
- To note, the list of Decision Notices issued by Kirklees Council for the period 9 August 2022 to 21 September 2022 inclusive **(E)**
- 2223 75**      **Neighbourhood Planning and Reviewing Parish Council Outcomes**      **8.12 pm**
- i.      -      **Conservation Area Awareness**  
To note, the response from Sebastian Pickles, Senior Conservation Officer at Kirklees Council, to the Deputy Clerk's email about how the Parish Council might help to increase public awareness about the responsibilities and restrictions placed on home- and business- owners in Holme Valley Conservation Areas. **(F)**  
To consider, any further action to promote public awareness of local Conservation Areas.
  - ii.      -      **Lord's Mill**  
To note, Sebastian Pickle's response to the Parish Council regarding Lord's Mill. **(G)**
  - iii.      -      **Parish Council Actions from the Neighbourhood Development Plan**  
To note, the Chair's further report on her assessment of progress by the Parish Council against the 51 actions of the Holme Valley Neighbourhood Development Plan. **(H)** Chair to report.  
To consider any further action arising from this work.
  - iv.      -      **Traffic calming including 20MPH Limits and Zones**  
To note, the West Yorkshire Combined Authority Sustainable Transport Delivery Plan and specifically, within it, notice of the Kirklees speed limit review. **(I)**  
Cllr Wilson was invited to attend Kirklees' briefing session on its speed limit review. Cllr Wilson to report.  
The Committee Chair has, with support from Committee Members, drafted a report on guidelines that might be used to help Councillors to prioritise highways localities in the Holme Valley for traffic calming measures including 20mph schemes. **(J, K)**  
To consider, approving the Chair's report.  
To consider, identifying a specific location or locations in the Holme Valley for the Parish Council to focus its work regarding implementing traffic calming schemes.

# Holme Valley Parish Council

- 2223 76**      **Peak District National Park Authority**      **8.25 pm**
- i.      -      To note List 2223-03PD updated with the views of the Committee. **(L)**
  - ii.     -      To consider, new or amended applications received by the Peak District National Park Authority from 9 August 2022 to 21 September 2022 inclusive – List 2223-04PD enclosed **(M)**
- 2223 77**      **Planning Policy**      **8.27 pm**
- Kirklees Council is undertaking a consultation on its draft Affordable Housing and Housing Mix Supplementary Planning Document. **(N)**  
To consider, how the Parish Council will engage with this consultation. The closing date is 1<sup>st</sup> November 2022.
- 2223 78**      **Ongoing Highways campaigns**      **8.30 pm**
- The ongoing campaigns are:
- i.      **Concerns of local residents regarding speeding and noise pollution on Woodhead Road Holmbridge to Holme**
    - To note, the Deputy Clerk’s email to Liz Twitchett regarding the speed tests undertaken near Holme Bank, Woodhead Road, Holme. **(O)** Deputy Clerk to report any update.  
To consider any further actions at this time.
  - ii.     **Campaign for a Safer Magdale**
    - To note, speed count cables have been installed at Magdale. Stakeholders then await the results of traffic counts to be taken now the schools have returned. This should allow Kirklees Highways to assess the scale of the issue, the traffic makeup and volume as well as speeds, which, when completed (date yet to be confirmed), should allow a conclusion to be drawn regarding any highways plans for Magdale.  
To consider any further actions at this time.
  - iii.    **Hade Edge Road Intersection**
    - Committee Chair to report on any further developments regarding this road scheme.  
To consider any further actions at this time.
  - iv.     **Burnlee Road Closure**
    - To note, works on the Burnlee Road land slippage was previously reported by Ben Wright from the Kirklees Structures team to begin in “late August / early September”. No work had begun by mid-September. The Deputy Clerk emailed Ben Wright about a revised timetable for the work once early September was past. Deputy Clerk to report any update.  
To consider any further actions at this time.
-

# Holme Valley Parish Council

## v. Ramsden Road

- To note, Kiln Bent Road is now closed until the new year whilst investigative and repair work on the Yateholme embankment is undertaken. Cllr Wilson relays that there will be a lot of heavy vehicular access from Brownhill Lane delivering stone and heavy materials. Some of the vehicular damage to Kiln Bent Road will have to be repaired to enable access.  
Cllr Wilson wrote to Will Acornley from Kirklees 26 August 2022 who is overseeing the implementation of the Public Space Protection Order (PSPO) and the physical installation of barriers, commenting on continued anti-social behaviour in the locality and asking for a timescale of the installation of the safety gates. Cllr Wilson to report.

- 2223 79**      **Footpaths and PROWs**      **8.50 pm**
- Holmfirth Bridleway 94 Windy Hill Quarry, Cartworth Moor, Holmfirth
- To note, there have been further communications on this stretch of the bridleway. A TTRO is in place. Originally, this was for 3 weeks but it has since been extended to 6 months for works. Kirklees has confirmed that the intention is to reinstate the bridleway to its pre-existing level. The quarry owner had agreed to do this reinstatement work. Although the bridleway is still closed, it is possible to see works to reinstate the route from the road below. The case has been reportedly overseen by Kirklees' Complex Enforcement Officer who has a greater range of powers and resources than the PROW team.
- 2223 80**      **Holmfirth Town Centre Masterplan**      **8.56 pm**
- To consider, a motion to refer to Council regarding how full Council might be involved in engagement with the Holmfirth Town Centre Masterplan. Chair to report.
- 2223 81**      **Publicising the work of Holme Valley Parish Council**      **8.59 pm**
- To consider, recent events or news that this Committee wishes to publicise via the press, Parish Council website or social media.
- Close    **9.00 pm**

Please note that timings on the agenda are given for guidance of the Chairman and Committee only and should not be taken as the time at which discussion of a particular item will commence.

*Rich McGill*

21/09/22

## **DRAFT MINUTES OF THE PLANNING STANDING COMMITTEE HELD AT THE CIVIC, HOLMFIRTH MONDAY 15 AUGUST 2022**

Those present:

Chair: Cllr M Blacka

Vice Chair: Cllr T Dixon,

Councillors: Cllr P Colling, Cllr R Hogley, Cllr A Wilson

Officer: Mr Rich McGill (Deputy Clerk/RFO)

### **Welcome**

Cllr Blacka welcomed all the Members and thirteen members of the public to the meeting.

### **Open Session at Planning**

One member of the public spoke about a proposal he had previously brought to the Committee about the need for better public awareness about the extent of conservation areas in the Holme Valley and the duties and restrictions that being in the conservation area places on home- and business- owners. This is an item on the meeting agenda.

One Councillor attended as a member of the public to speak in opposition to a planning application, - 2223/04/09 – Land to rear of 5 and 7 Oakes Lane, Brockholes.

Eleven members of the public were present with regard to application 2223/04/26 – land adjacent to 67, Chapelgate, Scholes. Two of the group spoke in the public session in opposition to this proposed development. Another member of the group spoke briefly in opposition to this proposed development outside of the public session.

### **2223 50 Public Bodies (Admission to Meetings) Act 1960 amended by the Openness of Local Government Bodies Regulations 2014 on 6 August 2014**

Council meetings can now be recorded. The meeting was recorded by the Officer for public broadcast via the Holme Valley Parish Council YouTube channel. No other requests to record the meeting were received.

### **2223 51 To approve apologies for absence**

Cllr RP Dixon had sent apologies.

**RESOLVED:** The reasons for Cllr RP Dixon's apology were approved by the Committee.

# Holme Valley Parish Council

## **2223 52 To receive Members' and Officers' personal and disclosable pecuniary interests in items on the agenda**

Cllr Blacka, Cllr Colling, Cllr T Dixon, Cllr Hogley and Cllr Wilson, each declared a personal interest in planning application 2223/04/26. They did so on the basis that the Parish Council is the sole corporate trustee of the Holme Valley Land Charity which is the owner of the land of this proposed development. All individual Councillors including those present are members of the corporate trustee. Therefore, under guidance from the Yorkshire Local Councils Associations, Members each declared a personal interest pertaining to this application and the application was not considered and no decision made on it.

Eleven members of the public who had attended the meeting with regard to application 2223/04/26 – land adjacent to 67, Chapelgate, Scholes left the meeting at this point. The member of the public who is also a parish councillor also left the meeting at this point to talk to the group who had left the meeting. The Committee voted to amend the running order of applications so that application 2223/04/09 was discussed after his return.

## **2223 53 To consider written requests for new DPI dispensations**

None had been received.

## **2223 54 To consider whether items on the agenda should be discussed in private session**

No items were requested to be discussed in private session.

## **2223 55 To confirm the Minutes of the Previous Meeting**

**RESOLVED:** The Minutes of the Planning Committee meeting held on 4 July 2022, numbered 2223 33 – 2223 49 inclusive were approved

## **2223 56 Completed Kirklees Planning Applications List**

**NOTED:** The Planning Committee noted List 2223/03 updated with the views of the Committee.

*At this point, Members voted to move item 2223 59i up the order.*

# Holme Valley Parish Council

## 2223 59 Neighbourhood Planning and Reviewing Parish Council Outcomes

### i. Conservation Area Awareness

To consider, how the Parish Council can help to increase public awareness about the responsibilities and restrictions placed on home- and business- owners in Holme Valley Conservation Areas. Cllr Blacka expressed that it would be good to involve existing community groups in such a proposal.

#### **RESOLVED:**

It was resolved that the Parish Council would work with the Kirklees Planning team on this to ensure that the message is consistent. As a starting point, the Parish Council would contact Sebastian Pickles, Senior Conservation Area Officer, for advice on what information would ideally be shared to the Holme Valley public regarding conservation areas since only 2 of 13 conservation areas in the Holme Valley actually have formal conservation area appraisals, - Holme and Oldfield. Honley's is pending but delayed. The guidance might consist of sharing maps outlining the extent of each conservation area with advice to contact Planning if you are considering doing work on your home or business in a conservation area.

Thereafter, the Parish Council would consider at a subsequent Committee meeting the best ways of broadcasting the information including use of the Parish Council website and social media, Council News in TiTo magazine and potentially some other mediums and platforms such as local community Facebook group pages, mailshots and so on.

*At this point, Members voted to return to the original agenda order of the meeting.*

## 2223 57 New Planning Applications – Kirklees Council

Members considered new or amended applications received by Kirklees Council from 28 June 2022 to 9 August 2022 inclusive – List 2223/04.

The Parish Councillor attending the meeting as a member of the public returned part-way through deliberations on the list.

**RESOLVED:** That the Planning Committee's comments on the above applications be forwarded to Kirklees Council by the Deputy Clerk.

## 2223 58 Kirklees Council – Planning Officers' Decisions

**NOTED:** The Planning Committee noted the list of Decision Notices issued by Kirklees Council for the period 28 June 2022 to 9 August 2022 inclusive.

## 2223 59 Neighbourhood Planning and Reviewing Parish Council Outcomes

### ii. Lord's Mill

**NOTED:** Members thanked the Deputy Clerk for the Parish Council's letter to Sebastian Pickles, - cc'd to the Kirklees PROW team, Safer Kirklees, and Historic England, - in response to a request from a resident for support regarding the poor state of Lord's Mill, Honley.

The Committee further noted the verbal report from the Deputy Clerk regarding contact from the owner of Lord's Mill who asserted that the site was not unsafe and work to manage the disrepair would take place over the next few months. The owner spoke of plans to develop the site but stated that these had been delayed by rising costs and COVID. The owner was a local builder-developer who had managed similarly sized projects to the mill. The Committee further noted the response from Sebastian Pickles, - that his team were reviewing the situation and would report in a few weeks' time with an action plan.

The Chair would communicate with the member of the public who had raised the issue.

### iii. Parish Council Actions from the Neighbourhood Development Plan

**NOTED:** Members noted the Chair's report on her assessment of progress by the Parish Council against the 51 actions of the Holme Valley Neighbourhood Development Plan. The Chair asked for Members to consider further comment on gaps in the progress on actions and to forward them to her. Some detail regarding the Holmfirth Town Centre Masterplan could be included, as well as better trade recycling at The Civic, and The Square Peg access map. When complete, the report would be shared with Council.

### iv. Traffic calming including 20MPH Limits and Zones

- a. **NOTED:** Members noted that the Chair is working with Committee Members to draft a list of criteria for identifying suitable localities for traffic calming, 20mph limits and zones.
- b. **NOTED:** Members noted that that the Committee Chair had asked for suggestions from full Council regarding identifying a specific locality in the Holme Valley for a traffic calming project including potentially the use of 20mph limits and/or zones. The suggestions received to date were i. Washpit New Road ii. New Mill centre. A Councillor also commented that locations with significant air pollution should be considered as well as village centres. This will be considered formally at the next meeting.

# Holme Valley Parish Council

## 2223 60 Peak District National Park Authority

- i. **NOTED:** Members noted List 2223-02PD updated with the views of the Committee.
- ii. Members considered new or amended applications received by the Peak District National Park Authority from 28 June 2022 to 9 August 2022 inclusive, List 2223-03PD.  
**RESOLVED:** That the Planning Committee's comments on the above applications be forwarded to the Peak District National Park Authority by the Deputy Clerk.
- iii. **NOTED:** Members noted the list of Decision Notices issued by the Peak District National Park Authority for the period 28 June 2022 to 9 August 2022 inclusive.
- iv. **NOTED:** Members noted the response prepared by Members of this Committee to the Peak District National Park Authority's consultation on their Local Plan.

## 2223 61 Planning Policy

- i. **NOTED:** Members noted the Parish Council's response to Kirklees Council's consultation on the draft validation requirements for planning applications.
- ii. **YLCA consultation on Short Term Holiday Lets**  
The Committee considered a response to the government's consultation on a registration scheme for short-term accommodation lets.  
**RESOLVED:** The Committee resolved that the Parish Council would not contribute to this consultation.

## Ongoing Highways campaigns

The ongoing campaigns are:

i. **Concerns of local residents regarding speeding and noise pollution Woodhead Road Holmbridge to Holme**

**NOTED:** Members noted the Deputy Clerk's complaint to Mark Scarr regarding the lack of a report on speed tests undertaken along this stretch of highway despite multiple requests, and the response from Mark Scarr.

Members further noted the Deputy Clerk's report on a communication from Liz Twitchett (Operational Manager Kirklees Highways) where she responded, *"I have ..... located the speed counts that were undertaken last year - 10th - 16th Oct, inclusive, taken on the A6024 Woodhead Rd, just west of Co-Op Lane. Having had an opportunity to look at what the data has told us, I can report that the average daily 85thile speed - so that is the speed at which 85% of the traffic is travelling at or below, is 29.5 mph – westbound (away from Holmfirth) [and] 30.4 mph – eastbound. There were a small number of instances recorded of speeds higher than the posted 30mph, the worst of which was 53mph, but on the whole - traffic is travelling within the 30mph limit. Having also checked the data we hold on personal injury collisions for this road, that have been reported to the Police, on Woodhead Rd between its junction with Fairfields Rd and St Davids Church at Holmbridge, I am happy to report that whilst there may be local concerns for safety, there have not been any injury collisions recorded, in the last 5 years (May 17 - May 22). Given the above information, it is unlikely that, in the current climate, with our current levels of resource and funding, we will be in a position to undertake anything further here."*

Members considered any further action on this campaign.

**RESOLVED:** The Committee resolved that the Parish Council would write to Liz Twitchett and ask for further information on the speed tests undertaken, - specifically those taken near Holme Bank on the hill up to Holme village. The Deputy Clerk would also comment on reports of high traffic noise and noise pollution, and inquire about tests thereof at weekends, bank holidays and so on, where groups of touring motorcyclists and car clubs are more prevalent.

ii. **Campaign for a Safer Magdale**

**NOTED:** Members noted the Deputy Clerk's report on a communication from Liz Twitchett (Operational Manager Kirklees Highways) where she wrote, *"On the Magdale issue – we are still in discussion with local Cllrs about what, if anything, can realistically be achieved by intervention from the Council. We have ordered some traffic counts for after the schools return in Sept, to assess the scale of the issue, the traffic volumes and make up, as well as speeds, which, when completed (date yet to be confirmed) should then be able to draw to a conclusion those discussions – however, whatever solutions there may or may not be, will all be subject to funding options and priorities, as always. I will ensure that the local Ward Cllrs are aware of your interest, and provide further updates when possible."*

# Holme Valley Parish Council

Members considered any further action on this campaign.

**RESOLVED:** No further action at this time.

## iii. Hade Edge Road Intersection

**NOTED:** The Committee noted the Chair's report that a meeting had at last taken place between Kirklees Councillors from Holme Valley South ward and members of the Highways team. The plan would involve use of revised speed limits, vehicle-activated signs, and, - a new development, - a roundabout at the Greaves Road junction. The last few details were being resolved.

The Parish Council considered any further action on this matter.

**RESOLVED:** No further action at this time.

## iv. Burnlee Road Closure

**NOTED:** The Committee noted the response from Ben Wright from the Kirklees Structures team regarding the status of the road closure, and the timetable for the anticipated corrective work. The Committee further noted the report from Farhad Khatibi, Kirklees Highways Structures Team, - forwarded by Mark Scarr, - regarding the situation with Burnlee Road, South Lane and Kirkbridge Lane, New Mill.

The Parish Council considered any further action on this matter.

**RESOLVED:** Given that there was a timetable for improvements, no further action was required at this time.

## v. Ramsden Road

**NOTED:** Members noted that Cllr Wilson had again written to Will Acornley 29 July 2022 asking for a further update on the provision of gates to the byways covered by the proposed PSPO. Cllr Wilson reported that a different, cheaper type of gate had been identified for the scheme, but that Kirklees now was questioning the suitability of the Public Space Protection Order (PSPO), and there was no timescale.

The Committee thanked Cllr Wilson for his diligence on this matter.

The Committee also noted that, separately, Andy Leader from Peak and Northern Footpaths Society had been trying to press Will Acornley about Kirklees' duty to repair the Ramsden byways, which have been cut up badly by 4x4s. He had invited Kirklees to draw up a scheme of works to make good the highway and threatened legal action. Will Acornley had responded that he was finalising some details on a scheme. Cllr Wilson's viewpoint was that there was little point repairing the road unless the use of the road by 4x4s, quad bikes and motorcycles was managed by a relevant legal order.

The Committee considered any further actions on this issue.

**RESOLVED:** No further action at this time.

# Holme Valley Parish Council

## 2223 63 Footpaths and PROWs

### **Holmfirth Bridleway 94 Windy Hill Quarry, Cartworth Moor, Holmfirth**

**NOTED:** The Committee noted that there had been some development over the last month about the bridleway. Cllr Wilson visited the site and described that the situation was as bad as reported. Andy Leader from Peak and Northern Footpaths continued to petition Kirklees to act, and other groups, - The British Horse Society and Huddersfield Ramblers, - had got involved too. The Parish Council had also emailed in support of a need for corrective action to the bridleway. Enforcement Officers from Kirklees Council had visited the site and Kirklees Planning reports that *“Following on from this it is the Council’s intention to address the surface of the bridleway, and any obstructions, with the company. Moving forward these will be dealt with using our statutory powers.”*

Members also noted that a TTRO was in place and the bridleway had been closed until 29<sup>th</sup> August hopefully for remedial work.

The Parish Council considered any further action.

**RESOLVED:** No further action at this time.

## 2223 64 Holmfirth Town Centre Masterplan

The Chair reported that Committee Members had had a productive meeting with Zoe Stewart from the Kirklees Local Centres team regarding the Masterplan. Members felt that Zoe might appreciate the Parish Council taking a more central role in carrying through the Masterplan.

**RESOLVED:** Members felt that the Parish Council’s working team on this might be broader than the Planning Committee to include other Members of full Council and should, it was suggested, include Cllr Carré. This would be addressed as a motion to full Council.

## 2223 65 Publicising the work of Holme Valley Parish Council

The Committee considered whether there were any pertinent recent events or news items that it wished to publicise via the press, Parish Council website or social media.

**RESOLVED:** The Committee did not identify any items at this time additional to publicising the planning applications list.

*The meeting closed at 9.13pm.*

.....

**Chair**

## Holme Valley Parish Council

Planning applications lodged with Kirklees from **27 06 2022** to **09 08 2022** - **List 2223-04**. The following applications will be considered by Holme Valley Parish Council ahead of the Planning Committee meeting **15/08/2022**. Where appropriate, recommendations will be made to Kirklees Planning Services regarding whether or not they should be approved, but the final decisions will be taken by Kirklees Planning Services.

Local residents can email [deputyclerk@holmevalleyparishcouncil.gov.uk](mailto:deputyclerk@holmevalleyparishcouncil.gov.uk) to submit their views on applications or attend the meeting in person. Alternatively, you could join the meeting via Zoom. Email the Deputy Clerk for a link.

Full details regarding deadline dates for comments and how to submit a comment can be obtained from the Kirklees' website: [www.kirklees.gov.uk/planning](http://www.kirklees.gov.uk/planning)

We have reports that the links to Planning Applications below may not work on some mobile devices. This is an operating system issue. If the links to the applications do not work, go to the [Kirklees Planning Portal](#) and search for applications there using the Application No.

## Holme Valley Parish Council

Planning applications lodged with Kirklees from **09 08 2022** to **21 09 2022** - **List 2223-05**. The following applications will be considered by Holme Valley Parish Council ahead of the Planning Committee meeting **26/09/2022**. Where appropriate, recommendations will be made to Kirklees Planning Services regarding whether or not they should be approved, but the final decisions will be taken by Kirklees Planning Services.

Local residents can email [deputyclerk@holmevalleyparishcouncil.gov.uk](mailto:deputyclerk@holmevalleyparishcouncil.gov.uk) to submit their views on applications or attend the meeting in person. Alternatively, you could join the meeting via Zoom. Email the Deputy Clerk for a link.

Full details regarding deadline dates for comments and how to submit a comment can be obtained from the Kirklees' website: [www.kirklees.gov.uk/planning](http://www.kirklees.gov.uk/planning)

We have reports that the links to Planning Applications below may not work on some mobile devices. This is an operating system issue. If the links to the applications do not work, go to the [Kirklees Planning Portal](#) and search for applications there using the Application No.

**Subject:** RE: Advice on what to share regarding conservation areas and the implication of having a property in one  
**From:** Sebastian Pickles <Sebastian.Pickles@kirklees.gov.uk>  
**Date:** 15/09/2022, 11:14  
**To:** Deputy Clerk <deputyclerk@holmevalleyparishcouncil.gov.uk>  
**CC:** Cllr Mary Blacka <cllrmaryblacka@holmevalleyparishcouncil.gov.uk>

Good morning Rich,

Thank you for your email and please accept my apologies for the delay in replying.

We are aware of the current lack of awareness of the Conservation Areas and what is currently permitted under the General Permitted Development Order (GDPO) and what requires permission. We have been receiving a large number of enquiries to this end, some of which could be answer by members of the Public without the need for contacting us. We also understand that there is a general lack of appreciation and consideration for works in Conservation Areas and this does need addressing.

We are aware that there are a large number of Conservation Areas which do not currently have an appraisal, and this is a piece of work we have wanted to progress. However, due to workloads and resourcing we have not been able to progress. With the new Team Leader due in post at the beginning of October, we are hoping this is something we can give some focus to. We do have 2 draft Appraisals which are awaiting review and Public Consultation on, and this will be something we will be looking to progress as quickly as we are able. Going forward the main focus for the appraisals will be for them to be user friendly.

In terms of current available information there is the web page:  
<https://www.kirklees.gov.uk/beta/trees-listing-and-conservation/conservation-area-maps.aspx> which you are already aware of. There is also the webpage by Historic England which provides details in Conservation Areas: <https://historicengland.org.uk/advice/hpg/has/conservation-areas/>

We would also direct members of the Public to the GDPO: <https://www.legislation.gov.uk/uksi/2015/596/contents/made>

There is also some general outline detail on the Planning Portal:  
<https://www.planningportal.co.uk/permission/responsibilities/other-permissions-you-may-require/conservation-areas>

Of course, if there is any doubt then members of the Public can get in contact with us and we will reply as promptly as we are able.

I hope this is of assistance.

Kind regards,

Sebastian Pickles - MSc, IHBC

Subject: Advice on what to share regarding conservation areas and the implication of having a property in one

CAUTION: External email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hi Sebastian

I hope you had a great holiday.

A member of the public attended a meeting of the Parish Council Planning Committee to express concern to what he felt was a lack of awareness of people living in a conservation area regarding the limits on what adaptations they can do, what they can build and when planning permission is needed in the CA. He was concerned that people are building, for example, sheds and summer houses and doing other work which detracts from the heritage of the town- and village- landscapes.

The Parish Council felt that his idea was sound and wanted to share information on where the conservation areas are in the Holme Valley together with some basic advice about the implications of being in a conservation area and what to do if you are planning alterations to your environment. But we were unsure what to share and felt that it was important that we were sharing information consistent with the message of Kirklees Planning and the Conservation Team.

Two small communities of the Holme Valley, - Holme and Oldfield, - have been subjects of published conservation area appraisals so residents of those villages can be directed to the appraisal reports no problem. But what about the other 11 conservation areas? What more generic advice might be shared so that residents are checking themselves before, you know, they build sheds or add satellite dishes or solar panels to their homes, or knock down a wall, or prune a tree? Do you have a leaflet or PDF that you share with people regarding conservation areas? Or do you direct people to a specific website like Historic England?

Could you let me know your thoughts? We'd like to do something if only sharing the location maps of the conservation areas together with a few bits of simple, pertinent advice.

Cheers,

Rich

Dear Rich,

Further to my emailed dated 12th August. As mentioned I have been on leave for the last 2 weeks. We are currently without a Team Leader, however a new Leader is due to start at the beginning of October.

Given the nature of the site, I wanted to discuss this with our new Team Leader before providing a comprehensive response.

Kind regards,

Sebastian Pickles - MSc, IHBC

Good morning Rich,

Thank you for the email and attached letter in relation to Lord's Mill. Due to high workload at this time, I have not yet been able to give this some focused time. I will of course give this the attention it needs.

I am in fact due on leave as of the end of next week for 2 weeks. I will endeavour to discuss this with my Colleagues and come back with a response to what might be possible to consider before going on leave.

Kind regards,

Sebastian Pickles - MSc, IHBC

Dear Sebastian

Please find attached a letter from Holme Valley Parish Council regarding the current, poor state of Lord's Mill, Magdale, Honley - Grade 2 listed building.

The Parish Council would like your support to safeguard this building.

Kind regards,

Rich

Parish Actions from the Neighbourhood Development Plan:		
to be completed working with other organisations		
	<u>Updated September '22</u>	
	<b>ACTION</b>	<b>PROGRESS</b>
<b>Built environment and design</b>	1. Prepare a design handbook with specification of acceptable styles which merge with the local style. This may include examples of what is not acceptable such as out of proportion, window layout etc. This applies to both new build and renovation projects.	Design codes for high quality shop fronts and advertisements (NDP Planning Policy 4)
	2. Encourage Kirklees to produce and implement Conservation Area Appraisals and Conservation Area Management Plans which illustrate the vernacular design for specific areas that should be reflected in new development.	Dialogue established with Sebastian Pickles, KC Senior Conservation Officer, re Conservation Area appraisals.
	3. Encourage enforcement where appropriate within the Conservation Areas.	Discussion at Planning Committee meeting on 15 August on improving the knowledge of residents about the obligations of living in Conservation Areas.
	4. Develop a list of non-designated heritage assets building on the suggested sites in Honley from the Honley Civic Society and initial list of key buildings identified in Holmfirth by the Holmfirth Conservation Group in accordance with Historic England's advice note to put forward to Kirklees Council as part of a Local List of Key buildings. Both lists are provided in Appendix 2.	Dialogue established with Sebastian Pickles, KC Senior Conservation Officer, re non-designated heritage assets. The Local List project is being headed by Leeds City Council. All West Yorkshire councils are feeding into the process. Assessment criteria are currently being developed.
	5. Recommend that any changes to reservoir designs (walls, spillways etc.) be done in a sympathetic way to the local environment, using local materials.	

<b>Built heritage</b>	6. Support community purchases and development where a heritage asset becomes structurally unsafe for use and encourage community ownership of locally important buildings.	
	7. Support the provision of workshops and or advice to owners of heritage assets possibly through community groups.	
	8. Promote and support the adoption of community assets and any redevelopment in sympathetic and financially viable ways.	Financial support given towards the purchase and renovation of Holmfirth Tech, for use by the community. Purchase of the Civic Hall, Holmfirth and Honley Library to ensure continued community use.
	9. Where an Article 4 Direction is in place, work with Kirklees Council and local stakeholders to protect designated and non-designated heritage assets from harmful change.	
	10. Work with Kirklees Council to identify potential Heritage Action Zones in the Neighbourhood Area such as Holmfirth Town Centre.	Meeting with Zoe Stewart, to discuss the Holmfirth Master Plan. Continuing discussion on how thw PC might be involved in monitoring the delivery of the Master Plan.
		Accessibility Audit by Square Peg.
		On-going work to improve the public realm, carried out by Holme Pride, River Holme Connections etc.
	11. Ensure that any new or replaced street furniture such as lighting columns, street-signs, benches and litter bins are designed in a coordinated style which enhances their appearance. This does not preclude allowing bespoke designs to be considered to reflect the character of specific location. This will create a more consistent appearance to street furniture suited to the area concerned.	
	12. Ensure that overhead wiring and road signage within the public realm are installed in a manner with reflects the town or village's character. Redundant electrical infrastructure or signage should be removed to reduce visual pollution associated with new installations.	

<b>Public Realm</b>	13. Ensure that opportunities to develop out-of-sight storage for trade waste bins for existing premises are pursued to reduce unsightly clutter on the public highway.	
	14. Work with traders and shop keepers to discourage the use of A-boards and clutter to keep routes clear for people who may have mobility or visual issues, or for parents with children in buggies.	
	15. Work with Kirklees Council to identify and promote more sustainable approaches to waste management in the Holme Valley which support a hierarchy of reduction, re-use and re-cycling. The provision of more effective recycling and waste facilities will be supported.	Improved trade waste re-cycling for the Civic.
<b>Local economy</b>	16. Support place-making initiatives seeking to build both community and economic value from our unique heritage and environment.	Supporting individual planning applications which involve using heritage assets, eg Devour.
	17. Work with local businesses and Kirklees Council to manage opening hours and control litter.	
<b>Community facilities</b>	18. Ensure easy access to good quality education for children and adults.	
	19. Encourage life-long learning by encouraging opportunities for active citizenship, volunteering and participation in the community.	Financial support towards the provision of classes for adults at Holmfirth Tech. Grants to village halls, including Brockholes, Honley and Upperthong, to maintain easily accessible venues for community participation.
	20. Increase the appreciation and understanding of the environment, the arts and the Valley's cultural and industrial heritage.	Use of the grant programme to support local festivals, including the Folk Festival and the Arts Festival. Grants to maintain the local sporting heritage, including Underbank Rangers and Holmfirth Cricket Club. Grants to local brass bands, Hade Edge and Hepworth, maintaining local musical traditions.

	21. Ensure sufficient health and care facilities are provided to cope with demand and the infrastructure is in place to support the delivery of modern health and social care services, for example improving telecommunication systems to support tele-medicine.	
	<b>Traffic Management</b>	
	22. Implement speed limits and traffic calming measures in town and village centres and around schools and homes of vulnerable people.	Discussion with Liz Twitchett, KC Senior Road Safety Officer, in June '22, leading to the identifying of criteria and making a list of village centres, etc where traffic calming measures are urgently needed. Involving all parish councillors.
	23. Implement management of traffic at peak times, particularly around schools and places of employment with one-way systems or drop-off zones considered.	
	24. Work with Kirklees on any future road improvement schemes in Holmfirth to ensure proposals enhance place-making alongside traffic flow.	Support for the planning application for the re-modelling of Holmfirth town centre road scheme.
	25. Share local proposals concerning traffic management on Victoria Street/ Dunford Road / Station Road/ Hollowgate with Kirklees.	As above No. 24.
	26. Work with local residents in villages such as Hade Edge where revised layouts of the road network may improve highways safety.	Discussion with KC Senior Highways Officers in October '21 and involvement of KC councillors in the issues around the Hade Edge road corridor.
	27. Introduce restrictions to HGV access on particular routes and discourage the use of Holmfirth as a diversion for HGVs off trunk roads.	
	28. Support proposals to create 20mph speed limits in residential areas.	See above No. 22. Traffic calming measures will include 20 mph zones/speed limits.
	29. Ensure limited use of warning signs such as dangerous junctions, roads impassable to heavy vehicles or appropriate weight limits with designs being appropriate to the location.	
	30. Introduce and enforce time zones for deliveries in Holmfirth and Honley.	
	31. Liaise with other bodies in addition to Kirklees Council regarding the impact improvement works to the Woodhead Pass and the proposed Trans-Pennine motorway will have on the Valley.	

<b>Traffic, transport &amp; parking</b>	32. Consider the introduction of “priority passing/give way” calming measures on narrow rural roads.	
	33. Ensure that new housing and industrial developments do not exacerbate existing congestion areas, including the centres of New Mill and Holmfirth, and at Honley Bridge.	The Planning Committee frequently raises issues around congestion when commenting on planning applications.
	34. Consider local identification and designation of "Green Lanes" as shared spaces on popular horse riding, walking and cycling routes.	See above No. 22. Traffic calming measures will include designation of green lanes. Support for Magdale Green Lane.
	<b>Public Transport</b>	
	35. Ensure that access means accessible to all regardless of age, ability and cultural background, and eliminating unnecessary barriers.	
	36. Explore opportunities to reduce traffic in town and village centres to improve air quality and health.	Grant for the purchase of an electric cargo bike by the Climate Emergency Committee.
	37. Support proposals to increase the use of shared cars, buses, trains and cycling.	
	38. Ensure good quality public transport is maintained, with subsidies considered where appropriate to support local connectivity with smaller rural villages across the Valley.	Grants to West Yorkshire Metro to support the provision of the local H buses.
	39. Support initiatives by the Penistone Line Partnership and others to encourage and enable the greater use of rail travel, to improve the route between Huddersfield, Sheffield and further afield.	
	40. Investigate the feasibility of renaming Brockholes railway station “Brockholes and Holmfirth” and providing a linked shuttle bus service to Holmfirth town centre.	
	41. Encourage better bus/train connectivity to link villages across the valley with train services and support strategic actions to improve parking and facilities at Honley and Brockholes stations.	
	42. The provision of taxi-ranks to support the use of taxis as an alternative means of transport will be supported as long as they align with the other policies in the NDP regarding fitting with the local character and avoiding any noise pollution from idling engines.	
	<b>Sustainable Transport</b>	
43. Promote infrastructure such as charging points to increase the use of electric vehicles.		

	44. Encourage the introduction of electric buses and taxis in the area to improve air quality.	Grant to purchase an electric delivery bike.
	45. Develop pathways for safer cycling and walking, subject to landowner permissions for access using natural conduits such as the River Holme and maintain existing pedestrian, bridleway and cycle routes.	
	<b>Parking Provision</b>	
	46. Investigate the feasibility of providing suitable parking on the edge of Holmfirth to accommodate a "Park and Ride" service.	
	47. Explore innovative ways of creating additional parking in specific areas lacking sufficient provision such as the de-consecration of part of a churchyard, rental of drives in the daytime or use of private land for specific events.	
<b>Sustainability</b>	48. Encourage awareness of a sustainable way of life and the purchase of goods which will last for life, and discourage a throwaway society through effective design, appropriate waste management facilities and education initiatives.	Big Green Event, Co-op car park, September '21. Delivery of the 'Save the bees', presentation + gift of bee bombs, wild-flower seeds and a tree, for all schools in the parish council area, in May/June 22. / Repair cafe at the Tech. / Energy audits at the Civic and Honley Library + grants to carry out the required work / Home energy savings booklet. / Development of a comprehensive database to facilitate the sharing of ideas etc
	49. Consider the provision of a free water fountain in Holmfirth to encourage the re-use of drinking bottles.	A water fountain has been installed on the side of the toilets in Holmfirth.
	50. Seek to engage with local environmental groups to explore how they can best support their initiatives to increase biodiversity and increase local understanding and appreciation of the natural environment.	Establishment of the Holme Valley Climate Action Partnership.
	51. Encourage proposals to increase the level of recycling of waste. Retail development must demonstrate how they will manage and reduce their waste in planning statements or other supporting documents. These should include proposals to support the principle of plastic free living.	Grant for the provision of refundable plastic glasses for festivals.

<b>Annex A: West Yorkshire Mayoral Combined Authority - £830m City Region Sustainable Transport Settlement</b>				
	West Yorkshire Combined Authority's (WYCA) delivery plan incorporates a proportion of overprogramming, additional to their agreed settlement. WYCA has flexibility to manage their programme in line with the approach to change control, but is responsible for sourcing any additional funding required to deliver the agreed schemes.			
<b>Name of Scheme</b>	<b>Description</b>	<b>Location</b>	<b>Start of project delivery</b>	<b>Completion date</b>
West Bradford - Cycle Superhighway Extension	Delivering a direct, segregated cycle route to provide cyclists with a safe, secure space to travel easily and conveniently between Bradford city centre and areas to the west of the city.	Bradford	01/11/2022	20/03/2024
Bradford Interchange Station Access	Improving Bradford Interchange and access to it, including a new station approach and entrance for pedestrians giving a direct, safe and legible route from the civic quarter and City Park through to the interchange.	Bradford	01/01/2023	26/04/2024
Bradford City Centre Cycling and Walking Improvements	Removing through traffic from key civic areas, create corridors for cycling and walking including the introduction of new green spaces. Create a new bus priority corridor around Bradford city centre for more efficient movement of buses, with new bus hubs serving key locations in the city centre.	Bradford	01/02/2023	24/07/2024
South Bradford Park & Ride and Bus Expressway	Deliver a high-quality, high frequency dedicated bus service between Bradford city centre and the M606 motorway, via Manchester Road by providing a bus expressway. This scheme will be complemented by introducing segregated cycle routes, new bus hub locations, bus priority measures and linking to a park and ride site.	Bradford	01/02/2023	26/03/2024
Halifax Rail Station Gateway	Transformation of Halifax railway station including a new footbridge to improve access to the station, better pedestrian and cycle links by re-opening a disused underpass, and improved connections to local public transport and the town centre.	Halifax	01/02/2023	30/06/2025
West Halifax Improved Streets for People	Provide improvements for walking and cycling in West Halifax, one of the most deprived wards in Calderdale and create safer connections to Halifax town centre for those walking and cycling providing new cycle routes and footpaths, crossing facilities, changes to parking and measures to address inappropriate speeds.	Halifax	01/10/2022	14/08/2023
North Halifax Improved Streets for People	Create a new cycleway from North Halifax to Halifax town centre, improve pavements and crossing points for walking and cycling and improve street lighting.	Halifax	01/10/2022	18/08/2023
Elland Rail Station Walking and Cycling Access	Improve walking and cycling routes to the proposed new Elland railway station, this includes two new pedestrian/cycle bridges across the River Calder/Calder Hebble Navigation/West Vale., providing connections to existing cycleways and future development areas to help connect the Town Centre/station with the wider housing and employment catchment.	Elland	01/04/2023	01/03/2024
Brighouse Cycling and Walking Improvements	Forming part of the wider A641 Corridor project being delivered through the West Yorkshire plus Transport Fund, providing improved crossing facilities and linking existing cycling and walking routes to the rail station and new bus priority measures to improve bus journey times and reliability.	Brighouse	01/12/2023	01/12/2025
Heckmondwike Bus Hub	A new bus station facility in the centre of Heckmondwike, increasing bus capacity, improving passenger waiting facilities, including new toilet facilities and better bus information along with improved access arrangements to the station for buses, reducing journey times, boarding arrangements and measures to improve associated bus movements and journey times within the town.	Heckmondwike,	01/09/2022	01/07/2023
Dewsbury - Cleckheaton Bus, cycling and walking corridor	New bus priority measures, new/widened footways and crossings along the length of the A638 corridor, from the outskirts of Dewsbury town centre, through Heckmondwike and Cleckheaton, to Chain Bar roundabout on the M62. The scheme will also deliver sections of new segregated cycle route between Cleckheaton and Heckmondwike.	Dewsbury/Cleckheaton	01/10/2022	30/09/2023
Dewsbury - Batley - Chidswell Bus, cycling and walking corridor	Provide a series of bus, cycle and footway improvements along routes between Dewsbury, Batley and Chidswell. These include new cycle links, widened footways, new crossing points, bus priority at junctions and enhanced waiting facilities and bus information at stops.	Dewsbury/Batley/Cleckheaton	01/03/2023	01/02/2024
Dewsbury Town Centre Walking & Cycling Improvements	Improve the provision and safety of walking and cycling in and to/from Dewsbury town centre through the delivery of new and upgraded footways, crossing facilities, cycle routes and improved connectivity between the rail/bus stations and reduce severance of residential areas on the periphery of the town.	Dewsbury	01/10/2022	30/09/2023
A629 Wakefield Road Sustainable Transport scheme	Deliver enhancements to existing bus priority alongside introduction of a segregated cycle route along the A629 route between Waterloo and Huddersfield town centre.	Huddersfield	01/03/2023	31/03/2024
Huddersfield Rail Station walking and cycling connections	Deliver more attractive and safer walking and cycling routes on key approaches to Huddersfield town centre and to its key rail and bus sites, education sites and across the ring road to reduce segregation from using more sustainable modes of transport.	Huddersfield	01/11/2022	30/11/2023
A64 Bus, Cycle and Walking Improvements and bus P&R	Improve bus journey times through creation of bus priority measures along the A64 and provide enhancements to existing cycle infrastructure, with additional connections to the existing cycle superhighway. The scheme will also link to a future park and ride site to provide more attractive bus journeys.	Leeds	01/05/2023	01/02/2024

Leeds Station - Sustainable Travel Gateway (Bishopgate)	Create a multi-modal gateway at Leeds Rail Station, including pedestrian priority areas, improved accessibility to the station, create step-free access for passengers, installation of segregated cycle lanes and widened footways, enhanced lighting within these areas and the provision of a 700 space cycle hub and infrastructure for e-bikes.	Leeds	01/06/2022	31/03/2024
Leeds City Centre Cycle Improvements	Consolidating and fully connecting cycle infrastructure in Leeds city centre, creating a fully segregated cycle network across the city.	Leeds	11/07/2022	30/04/2023
Leeds Public E- Bike Cycle Share	Provide and maintain a network of electric bikes for hire by the public within the centre of Leeds, this will complement a range of current and future cycling initiatives and infrastructure, enabling people to make journeys by bike across the city, whatever their ability.	Leeds	01/04/2023	01/06/2023
Wakefield City Centre Bus, Cycle and Walking Improvements	Remove elements of through traffic from parts of Wakefield city centre and provide walking and segregated cycle links from/to key locations as well as links to wider cycle provision outside of the city. New bus priority measures around the bus station will also improve bus journey times and reliability.	Wakefield	01/02/2023	01/02/2024
A61 Bus, Cycle and Walking Improvements	Enhanced bus priority and new, targeted, high quality cycle infrastructure. New and improved crossings for pedestrians and cyclists at key locations. New bus lanes / priority at locations in Leeds and Wakefield to improve bus journey times.	Leeds and Wakefield	01/11/2023	01/12/2024
A639 Bus, Cycle and Walking Improvements	Enhanced bus priority and new, targeted, high quality cycle infrastructure. New and improved crossings for pedestrians and cyclists at key locations. New bus lanes / priority at locations in Leeds and Wakefield to improve bus journey times.	Leeds and Wakefield	01/11/2023	01/12/2024
Halifax Bus Station	Deliver a modern, fit for purpose bus station, creates a public transport gateway into the town centre, a key place of interchange for bus services, and includes a fully enclosed and level concourse facility (including customer information, toilets and retail), cycle parking and improved access for pedestrians.	Halifax	01/09/2021	28/07/2023
White Rose Station	Deliver a new train station which aims to provide enhanced connectivity for local people and businesses to Leeds, as well as providing improved access to Dewsbury, Huddersfield and improving accessibility to the existing White Rose site, a key employment, retail and educational hub.	Leeds	Started	31/03/2023
Dewsbury Bus Station	Transform Dewsbury Bus Station, improving both operational and passenger facilities, including improvements to bus flow, pedestrian access, passenger concourse and waiting areas, journey information and facilities for customers. This will significantly improve passenger experience and support the drive to encourage increased bus travel in the town.	Dewsbury	01/04/2023	09/02/2024
Huddersfield Bus Station	Transform Huddersfield Bus Station, improve both operational and passenger facilities, including improvements to bus flow, pedestrian access, waiting areas, journey information and facilities for customers as well as a new cycle hub. This will significantly improve passenger experience and encourage increased bus travel into the town.	Huddersfield	01/08/2023	08/07/2024
Public Transport Network Navigation	Making it easier for bus passengers to navigate the bus network by improving legibility and improving accessibility expanding the existing Leeds Network Navigation project across the core bus network in West Yorkshire, through real-time information, bus stop information, access improvements, and journey/route planning tools.	West Yorkshire-wide	01/10/2022	31/03/2024
Wakefield Road, Bradford transformational bus priority and cycle corridor	Bus priority measures on A650 Wakefield Road to deliver a Bus Rapid Transit-level provision, improving bus journey times and journey reliability through road space reallocation, including upgrade and making permanent temporary segregated cycle scheme on from Dudley Hill to Bradford city centre to be improved and made permanent.	Bradford	01/08/2024	01/03/2027
Kings Road sustainable transport (bus + cycle) corridor	Bus priority measures along Kings Road and Canal Road corridor, improving bus journey times and journey reliability through road space reallocation, alongside protected cycle lanes on Kings Road.	Bradford	31/01/2026	31/01/2027
Bradford Bus Hotspots (Westgate / Drewton Rd / Lumb Lane; Leeds Rd gyratory; Bolton Rd / Leeds	A package of measures including road space reallocation, bus lanes, bus gates and junction modifications to improve journey times. Specifically, the package aims to improve the travel time through key junctions.	Bradford	04/09/2024	28/02/2025
Calderdale Bus hotspots and priority incl. bus lane camera enforcement	A package of interventions to improve bus journey times and reliability, including camera enforcement of bus lanes along main bus corridors and bus gates within Halifax and other district centres alongside other potential measures e.g., traffic regulation measures particularly focusing on pinch points on popular routes.	Calderdale District	01/07/2025	01/03/2027
North-East Calderdale Bus Priority and Cycle corridor – phase 1	Development and initial delivery of a major scheme to improve bus and active travel in north east Calderdale, reducing the impact of through traffic on local communities. The scheme enables development work on the major scheme as well as delivering bus priority between Halifax and Stump Cross. Delivery will be for the construction of the bus priority element.	Halifax and NE Calderdale	30/06/2026	31/03/2027
A62 – A644 Bus priority corridors- Huddersfield – Cooper Bridge – Ravenshorpe – Dewsbury	Bus infrastructure enhancements to improve bus journey times and reliability, along two main corridors within Kirklees, A62 Leeds Road / A644 Huddersfield Road. This project sits alongside several transport schemes already in progression in order to provide continuity and additionality to provide sustainable transport enhancements over a wider area.	Cooper Bridge/Mirfield	31/03/2025	01/09/2026

Dalton Deighton Active Travel	Quality, off-road walking and cycling route, complementing future on-road infrastructure by improving access to settlements and new development by active modes. Benefits include less congestion, reduced journey times, improved air quality, improved safety, reduced noise, and better social and economic outcomes in local communities.	Dalton/Deighton	31/03/2025	30/09/2026
Beckett Street, Leeds – transformational bus priority scheme	Bus priority scheme combining bus lane and junction upgrades and active travel improvements to link the city centre to St James Hospital and north-east Leeds. The scheme will provide continuous bus priority, segregated cycle infrastructure, and improved pedestrian provision to improve bus journey times and	Leeds	01/04/2024	30/09/2025
Leeds City Centre Bus Priority and Active Travel	A package of measures that builds on the success of Leeds city centres schemes being delivered through other funding programmes (TCF, LPTIP, and the Transport Fund) to enhance the sustainable transport offer in Leeds city centre by re-allocating existing carriageway to more sustainable modes, in accordance with LTN 1/20 and the National Bus Strategy. (Delivery dates are for start of work on first package, and end date for last package)	Leeds	30/09/2022	30/06/2025
A660 bus priority & cycle corridor incl. Lawnswood roundabout	Bus priority and cycle provision along key corridor in north Leeds, providing bus priority and segregated cycle provision on the corridor, including improvements to Lawnswood roundabout to address cycling safety issues	Leeds	01/10/2023	31/12/2024
A61 (N) multi modal corridor improvements - Scott Hall Road bus lane	Deliver 1km of outbound bus lane to remove the source of significant bus delay on this important corridor between north Leeds and Leeds city centre. It will also re-prioritise traffic at two large, congested junctions to prioritise bus services, resulting in faster and more reliable bus journey times. There are also associated cycling and walking improvements.	Leeds	01/07/2023	30/09/2024
A660 - Northern/University Gateway inclusive of the Headrow to St Marks Road.	Addressing bus delay through improvements in Leeds city centre up to the Inner Ring Road. From there, the scheme will remove general traffic from Blenheim Terrace in both directions, creating a bus, cycle and walking only environment, facilitated through the provision of bus gates and complementing the proposed A660 protected cycle lane.	Leeds	01/04/2025	01/01/2027
Elland Road South/Churwell Hill	Introduce a bus bypass lane to allow buses to avoid queuing traffic at a busy junction onto the ring road and improve bus waiting facilities. The scheme also provides new cycling facilities with bi-directional cycleways and controlled crossing facilities to	Leeds	01/10/2023	31/12/2024
Thirsk Row Bus gate	Enable an existing one-way street to be two-way for buses (remaining one way for general traffic) along with a new bus gate enabling buses to avoid unnecessary and highly congested movement in the city centre. It will also enable a wider footway	Leeds	01/10/2022	31/03/2023
Heath Common to Knottingley Bus Priority	Targeted bus priority at key locations. This may include new bus lanes and priority provision at junctions along the core bus corridor to improve bus journey times.	Wakefield, Featherstone, Pontefract and Knottingley	01/01/2025	31/03/2026
Horbury to Wakefield / Ossett to Wakefield bus priority	Bus priority measures and associated cycle improvements on bus corridors linking communities in the west of Wakefield district linking Wakefield city to Ossett and Horbury	Wakefield, Horbury and Ossett	01/01/2025	31/03/2026
A639 Park Road, Pontefract – on and off highways improvements	New bus priority at signalised junctions to improve bus journey times alongside new or improved, targeted, high quality cycle infrastructure. The scheme will also deliver new and improved crossings for pedestrians and cyclists at key locations to improve	Pontefract	01/03/2024	31/03/2025
South Wakefield Bus Package (including; A636 Denby Dale Road bus	Targeted bus priority at key locations in Wakefield district. This is expected to include new bus lanes and priority provision at junctions along the bus corridor to improve bus journey times.	Wakefield	01/01/2025	31/03/2026
North Wakefield Bus Package (including; A642 Aberford Road corridor bus	Targeted bus priority at key locations in Wakefield district which could include new bus lanes, bus gates and priority provision at junctions along the bus corridor to improve bus journey times	Wakefield	01/01/2025	31/03/2026
Wakefield City – extension to LCWIP1 (Local Cycling and Walking Improvement Plan) schemes	Targeted, high quality cycle infrastructure. The proposals will provide a connection between new facilities provided in Wakefield city centre (by the Transforming Cities Fund programme) to the north (where other facilities are currently being delivered). The	Wakefield	01/11/2024	31/03/2026
Castleford Wheldon Road pedestrian and cycle bridge	New bridge for cyclists and pedestrians, to address safety issues on existing road bridge that has no provision. Links to wider Castleford growth corridor scheme that provides new cycle lanes, pedestrian facilities to the north of the town centre.	Castleford	30/09/2023	01/08/2024
North Halifax Streets for People enhancements (Illingworth/Ovenden)	Provide cycle links from the centre Halifax towards Ovenden, and Illingworth, which have all been identified in the Calderdale Cycling Strategy. The project also creates greater space for	Halifax	08/09/2023	12/07/2024
Leeds Creating Healthier Streets, Spaces and Communities	Delivering safer streets across Leeds district through reducing through traffic and modal filters supporting mode shift from car and reduced carbon emissions. Package of measures to deliver walking and cycling improvements, through active travel neighbourhoods, school streets, improved cycle parking, District Centre enhancements and traffic signal upgrades to give greater priority for pedestrians and cyclists.	Leeds District	01/10/2024	30/09/2026
Steeton and Silsden cycling and walking Improvements	An active travel corridor including a pedestrian and cycle bridge over the A629 dual carriageway reducing the severance between two communities, provide protected cycleways and wider footways connecting to the bridge creating a safe and attractive route between the two settlements	Steeton and Silsden	31/01/2025	31/01/2026
West Yorkshire neighbourhood improvement package (incl. active travel and electric vehicle charging)	Improvements within local neighbourhoods to create safer, more economically active local areas and high streets. Delivering improvements to walking and cycling provision alongside other potential measures improvements such as electric vehicle charging points, bus gates, car club spaces, cycle parking, sustainable urban drainage and the creation of informal/formal mobility hubs.	West Yorkshire wide	01/09/2024	31/03/2027

Mobility hubs	Delivery of seven mobility hubs in locations across West Yorkshire. These hubs will increase local transport accessibility by providing access to demand responsive transport services, shared bikes, car club and EV charging facilities to complement existing public transport networks. Facilities delivered at the hubs include – cycle parking, cycle hire, EV charging points, passenger information and improved waiting facilities.	Specific locations within West Yorkshire	01/04/2024	01/01/2026
Car club network electrification	Electrification of the existing car club network within West Yorkshire. This will include delivery of EV charge points, replacement of some existing charging infrastructure that is no longer fit for purpose and creation of a fund for operators to bid into in order to gap fund EV car club vehicles. Delivery of the charge points will be aligned with the mobility hubs and wider EV charge point delivery programme in West Yorkshire.	West Yorkshire wide	01/01/2024	01/06/2025
Demand Responsive Transport (DRT)	Delivery of demand responsive bus schemes across West Yorkshire. Based on the lessons learned from the East Leeds Flexibus scheme DRT schemes will be developed to address specific areas of need where public transport access is currently poor.	Specific locations within West Yorkshire	01/01/2024	01/10/2024
Integrated ticketing and information	A range of initiatives, complemented with BSIP revenue funding, that support improved ticketing and information including:	West Yorkshire wide	01/10/2023	01/10/2025
Highways Asset Management and Enhancement	The programme will implement renewal and improvement of highway assets, including roads, structures, cycleways, footways, lighting and drainage across West Yorkshire. Asset enhancement will also benefit sustainable modes of travel by introducing elements of bus, cycle and walking improvements into traditional asset renewal projects.	West Yorkshire wide	Started	31/03/2027
Highways Network Management and Enhancement	The programme will replace out-of-date and high-risk signal infrastructure as well as introduce modern network management systems that allow opportunities for detection and priority of pedestrians, cyclists and buses at junctions, including smart traffic control that can automatically respond to congestion and air quality information.	West Yorkshire wide	Started	31/03/2027
Bradford Interchange – bus station essential works	The scheme will upgrade the bus station and address high priority defects in waterproofing for slabs at Bradford Interchange.	Bradford	05/09/2022	01/08/2023
Bus shelter improvement programme.	Shelter refurbishment, renewal and improvement package, delivering renewal of life expired shelters and new features and facilities to create greener and more innovative shelters. These could include intelligent shelters, phone charging, Real Time I information screens, advertising, and solar panels	West Yorkshire wide	01/01/2023	31/03/2027
Safety Accessibility and Efficiency Programme	The scheme will deliver improvements at bus stations and stops to make public transport more accessible to everyone, developing solutions through engagement with disabled people. It will also deliver an Invest to Save programme to reduce consumption and waste, leading to carbon reductions across the public transport estate. Phase 1 of this project is currently underway (funded elsewhere), CRSTS will fund Phase 2.	West Yorkshire wide	06/02/2023	01/09/2025
Bus Station improvements programme	Improvements to bus stations across the region to improve customer experience and make bus journeys a more attractive and competitive option	Bradford	08/05/2023	31/03/2027
Community Transport Vehicle renewal and upgrade to electric vehicles	Access Bus community transport vehicle fleet replacement and upgrade to electric vehicles.	West Yorkshire wide	01/07/2024	01/07/2026
Off Highway walking and cycling routes	Improvements to the Public Rights of Way (PROW) Network to support active travel and place improvements within the CRSTS programme, delivering measures to support accessible, active travel modes and links to public transport facilities on existing rights of way and cycle routes.	West Yorkshire wide	01/04/2027	31/03/2027
Mass transit development and delivery*	Development and initial delivery of a new form of public transport system for West Yorkshire, to increase capacity and provide an alternative to car travel for the region, linked to bus, rail, cycling and walking networks across the region as part of an integrated transport system.  *Scheme retained by DfT and subject to business case approval by HMG	West Yorkshire	Started (Development only)	31/03/2027 (Development within CRSTS period ends – development and delivery will continue into next period)
West Yorkshire Rail Accessibility Package	Improve the accessibility and inclusivity of West Yorkshire rail stations, reducing the barriers to travel and improving passengers' travel experience especially for those with disabilities and other disadvantaged groups. Contribute towards making a fully accessible transport system	Various Stations across West Yorkshire	01/04/2024	31/03/2027
Leeds City Rail Station - Platform 13/17 extension - allowing longer trains and better rail services to the Five Towns/Wakefield district	Extension of platforms at Leeds City Rail Station to allow longer trains and improved capacity on the rail network, reducing barriers to travel and increasing the attractiveness of rail, as more sustainable mode of transport. This will improve access to jobs and support mode shift from car and reducing impacts associated with car travel.	Leeds	31/03/2024	31/03/2025
Kirklees enhanced Electric Vehicle programme - residential charging and support programme	Developing Kirklees as a national demonstrator for larger scale Electric Vehicle Charging deployment, including the provision of charging on residential streets without impinging on the walking or cycling experience. This package includes a "try before you buy" Electric Vehicle scheme and delivery of on-street charging points.	Kirklees district wide	01/04/2024	01/10/2026

Kirklees district wide speed limit review	The scheme will lower speed limits where appropriate to 20mph in built up areas and 40mph and 50mph on some busy rural routes, improving safety, reducing pollution and carbon emissions, on roads where traffic speeds are dangerous and reduce the ability of the network to support walking, cycling or accommodate bus.	Kirklees district wide	31/03/2023	31/03/2025
Highways Safer Roads programme	The programme will deliver highway engineering projects to target known collision locations and inappropriate speed, and also proactively deliver projects to better manage safety risks and encourage and reduce barriers to active travel. The programme is aligned with existing road safety training activities and the regional Vision Zero Action Plan.	West Yorkshire wide	Started	31/04/27
Zero emission buses	Introducing Zero Emission Buses and related infrastructure, building on current zero emission bus programmes to help achieve our targets in the Bus Service Improvement Plan to raise the total proportion of the fleet to 50% by 2030	West Yorkshire wide	01/05/2023	01/03/2026

## **Holme Valley Parish Council: Planning Standing Committee**

### **Traffic calming measures / Reduction in speed limits etc**

(First Draft - Updated 20 September '22)

#### **Context**

Getting speed limits and other traffic calming measures right can have far-reaching benefits for the community:

- roads become safer and less polluted
- cycling and walking become more attractive and effective, promoting lower carbon transport and tackling local road congestion
- more active transport contributes to wider public health and safety outcomes

The Welsh government is introducing a 20mph limit on all restricted urban roads, starting with eight pilot areas from Summer 2022.

There are two types of 20mph schemes:

- 20mph limits – indicated by speed limit signs only; and
- 20mph zones – designed to be ‘self-enforcing’ through the introduction of traffic calming measures (eg speed humps and chicanes).

Currently there are two 20mph zones in the Holme Valley – in Honley centre and at Magdale, Honley.

Kirklees Council is currently undertaking a review of speed limits across the district. In the Holme Valley this includes the introduction of 20mph speed limits around schools and in the centre of Holmfirth.

#### **Criteria for 20 mph limits in the Holme Valley**

- Areas around schools
- Recognised pedestrian and cycling routes to schools
- Roads close to children's playgrounds
- Village centres
- Heavily used pedestrian routes where there are no pavements for pedestrians
- Roads close to medical facilities: hospitals, GPs surgeries, clinics
- Roads used by vulnerable residents, eg care homes
- Areas where air quality is poor
- Roads where other nuisances, eg excessive speeds, noise, have been registered

One way of prioritising areas for action would be to determine how many of the criteria a particular stretch of road meets.

## Suggested areas for action

No.	Area	Action suggested	Reason for action	Priority
1	Areas around schools: Brockholes, Hade Edge, Hepworth, Hinchliffe Mill, Holme, Holmfirth High, Holmfirth J&I School, Honley High, Honley KS1 site, Honley KS2 site, Netherthong, New Mill KS1 site, New Mill KS2 site Scholes, Upperrthong	Reduce speed limit to 20mph	<ul style="list-style-type: none"> <li>Improved safety for pupils going to and from school</li> <li>Encouraging more active transport to and from school</li> </ul>	
2	Hade Edge corridor	Reduce speed limit from 60mph Improved signage [Scheme under development]	<ul style="list-style-type: none"> <li>Several near mission collisions + collisions with injuries at the Scholes Moor Road / Greaves Road junction</li> </ul>	
3	Hepworth village centre	Reduce speed limit	<ul style="list-style-type: none"> <li>Danger to pedestrians – no pedestrian pavements for much of the way</li> <li>Parked cars at the side of the road</li> </ul>	
4	New Mill centre	20 mph limit	<ul style="list-style-type: none"> <li>Improved road safety at a difficult junction</li> <li>Improvement in air quality</li> </ul>	
5	New Mill Road – Holmfirth High walk to school stretch A635	Reduce speed limit to 20 or reinforce existing 30 mph limit with additional signage, including vehicle activated speed indicators / cameras	<ul style="list-style-type: none"> <li>Danger to school students walking to Holmfirth High</li> </ul>	
6	Scholes village centre	Reduce speed limit	<ul style="list-style-type: none"> <li>Danger to pedestrians - junction with St George's Road is tricky for pedestrians</li> </ul>	

No.	Area	Action suggested	Reason for action	Priority
7	Washpit New Road	Reduce speed limit	<ul style="list-style-type: none"> <li>• Speeding vehicles in current 30mph limit</li> </ul>	
8	Woodhead Road – from Hinchliffe Mill through Holmbridge to Holme	Reduce speed limits / Additional traffic calming measures / Vehicle activated speed indicators	<ul style="list-style-type: none"> <li>• Road traffic accidents + near misses</li> <li>• Noise pollution</li> <li>• Air pollution</li> </ul>

**To:** [redacted] <clerk@holmevalleyparishcouncil.gov.uk>  
**Subject:** Road Safety - Holmfirth

To- Clerk to the council Mrs Jen McIntosh

Please find below a copy of the email I have recently sent to the local Kirklees Councillors. It would be appreciated if you could also make the Parish Councillors aware of this document.

Regards - [redacted]

Dear Councillor

I was surprised to see the extent and volume of work being carried out on Springwood Road (behind Holmfirth High School) in terms of nine assorted and extensive speed control road alterations which are presumably being constructed at some considerable cost.

I do wonder whether a survey has been carried out as to the small number of school pupils using this road compared to most of the children using the main road (A635 New Mill Rd). The speed of the traffic along the main road has always been excessive and yet nothing has ever been done to address this issue even though the volume and size of vehicles continues to increase.

The solutions available are not expensive, could be easily installed, and may save further lives of children in the future.

I would recommend increasing the number of 30mph signs (even 20mph on some stretches between Heys Rd and Newmill), install an electronic device showing motorists their speed and install a speed camera on the fastest part of the road.

All of this could be easily achieved at very little cost compared to the work currently being carried out on Springwood Rd.

Several years ago, a request was made by Tesco to build a small supermarket just off the main road on the site of the old Midlothian garage. Their application was turned down on the basis that due to the high volume of children using this road a supermarket entrance would be unsafe. Kirklees are therefore aware of the high volume of young pedestrians on the pavements daily.

Your attention to this matter would be greatly appreciated by the parents of the children attending Holmfirth High School and New Mill Junior and Infants schools.

**Subject:** CONSULTATION ON THE KIRKLEES COUNCIL DRAFT AFFORDABLE HOUSING AND HOUSING MIX SUPPLEMENTARY PLANNING DOCUMENT (SPD)

Dear Sir/Madam

**CONSULTATION ON THE KIRKLEES COUNCIL DRAFT AFFORDABLE HOUSING AND HOUSING MIX SUPPLEMENTARY PLANNING DOCUMENT (SPD)**

The council is contacting you regarding the above document as you are a statutory consultee or have expressed an interest in future publications of SPDs.

Supplementary Planning Documents and other guidance documents are produced by the council to provide further information and advice to the public, applicants, and developers on the implementation of specific planning policies.

The draft SPD provides guidance on the implementation of the Kirklees Local Plan Housing Mix and Affordable Housing Policy (LP11) which seeks to ensure provision of affordable housing in new housing developments and ensure that the housing mix meets local needs.

The SPD will be published for consultation on 20<sup>th</sup> September 2022 for a period of six weeks until 1<sup>st</sup> November 2022. Details on when and how to make comments are outlined below. Following the close of the consultation period, we will consider your comments to help inform any final modifications to the SPD prior to their formal adoption. Once adopted, the document will be a material consideration in determining planning applications.

**Kirklees Council Draft Affordable Housing and Housing Mix SPD Consultation:**

***When and what you can comment on***

The consultation period runs for a six-week period, from **12pm 20<sup>th</sup> September 2022 – 5pm 1<sup>st</sup> November 2022**.

The following documents are available to view:

- Draft Affordable Housing and Housing Mix SPD
- Affordable Housing and Housing Mix SPD Consultation Statement.
- Affordable Housing and Housing Mix SPD Strategic Environmental Assessment (SEA) Screening Statement
- Affordable Housing and Housing Mix SPD SEA Determination Statement

These documents may be viewed on the Council's website at <https://www.kirklees.gov.uk/affordable-housing-spd> (from 12 noon on **20<sup>th</sup> September 2022**) or alternatively hard copies can be made available upon request.

### ***What comments can be made***

Comments are being invited on all aspects of the draft Affordable Housing and Housing Mix SPD.

### ***How to comment on-line***

Our preferred method of submitting comments is through the online consultation system (Objective) using the following link: <http://www.kirklees.gov.uk/consultplanningpolicy>. If you already have an account, please do not register again. Please contact us at: [local.development@kirklees.gov.uk](mailto:local.development@kirklees.gov.uk) if you have any difficulties using the system.

The system has the facility for you to feedback comments directly to us on-line without the need to print or go to a central location to view the documents. It also has the advantage that once registered you will receive automatic notifications of future consultations and can chose which types of documents you wish to be consulted on. You can view the draft Affordable Housing and Housing Mix SPD and other consultation documents through this system. Our website also contains copies of the document along with supporting information.

Paper copies of the response form are available on request.

### ***How to comment by email or post***

If you are not using the online consultation system, comments should be sent as follows:

**E-mail:** [local.development@kirklees.gov.uk](mailto:local.development@kirklees.gov.uk)

**Post:** Kirklees Council

Planning Policy Group

All responses on the draft SPD will be publicly available and cannot be treated as confidential (including submitted evidence) although contact details will be removed. All representations will be processed in accordance with the General Data Protection Regulation 2018 and anonymous representations will not be accepted. For details of how we use your information please see our privacy notice: <http://www.kirklees.gov.uk/privacy>

If you are a Statutory Consultee and would like to nominate an alternative contact, please let us know.

If you have any queries regarding the consultation, please contact the Planning Policy Team by e-mail at: [local.development@kirklees.gov.uk](mailto:local.development@kirklees.gov.uk) or by telephone on 01484 221627

Yours sincerely,

*Mathias Franklin*

<b>Subject:</b>	Re: Holme Valley Parish Council - 20 mph meeting - availability
<b>Date:</b>	Thu, 1 Sep 2022 15:20:01 +0100
<b>From:</b>	Deputy Clerk <deputyclerk@holmevalleyparishcouncil.gov.uk>
<b>To:</b>	Elizabeth Twitchett <Elizabeth.Twitchett@kirklees.gov.uk>
<b>CC:</b>	Cllr Mary Blacka <cllrmaryblacka@holmevalleyparishcouncil.gov.uk>

Hi Liz

I hope you're well.

After the last meeting of the Parish Council's Planning Committee, the Members were pleased to get your information on the speed limits at Hinchliffe Mill and the pending traffic counts etc at Magdale. Thank you for them.

The Councillors did enquire about a couple of things that I hope you can help with.

First, we understand that, aside from the speed tests done near the Londis in Hinchliffe Mill, there were also speed tests done on the A6024 hill from Holmbridge up to Holme near Holme Bank. Do you have figures for those speed tests too? Councillors who use that stretch of road report that many road users seem to have an inclination to gun it up the hill immediately outside of Holmbridge. I wonder if the tests bear that out or not.

Second, for some residents of Holme Bank and Hinchliffe Mill, a significant problem with the roads seemed to be to do with high traffic noise and noise pollution. They particularly referenced issues at weekends or on bank holidays when, for example, classic car clubs and groups of touring motorcyclists are more out in force. People living directly on Woodhead Road have said that they cannot open their windows in the summer because of the road noise. But are we right in thinking that local authorities like yourselves have no direct responsibility in regard to traffic and have no power to investigate complaints to do with road traffic noise? Is that right? As a further point, would the positive impact of lower road noise for residents be factored into decisions by Highways regarding road calming schemes?

Thank you,

Rich

Hi Rich

Thank you for your email – I must have received that email, because it confirmed the time date and location of our meeting, but I have obviously not read the whole of the email, or I would have brought the information with me.

On the Magdale issue – we are still in discussion with local Cllrs about what, if anything, can realistically be achieved by intervention from the Council. We have ordered some traffic counts for after the schools return in Sept, to assess the scale of the issue, the traffic volumes and make up, as well as speeds, which, when completed (date yet to be confirmed) should then be able to draw to a conclusion those discussions – however,

what ever solutions there may or may not be, will all be subject to funding options and priorities, as always.

I will ensure that the local Ward Cllrs are aware of your interest, and provide further updates when possible .

## Liz

**Subject:** Re: Holme Valley Parish Council - 20 mph meeting - availability

Hi Liz

Can we book you in for Monday 13th June 130pm-3pm, please, Liz?

We will meet in the top floor of the Civic Hall. There's a lift. I suggest parking in the Co-op carpark opposite, - it costs pennies.

Address is: Holmfirth Civic Hall, Huddersfield Road, Holmfirth HD9 3AS

See you then.

On a separate point, I was asked by the Parish Council to get responses from Mark Scarr regarding a couple of highways campaigns. I understand Mark is off until Monday so wondered whether you could make any comment as our Planning Committee is meeting Monday.

The two campaigns are:

- Woodhead Road from Holme village to Hinchliffe Mill (specifically, we understood that some speed tests were done a year or two back; do you know what the findings were?)
- Magdale, Honley (local people were petitioning Highways for some ways to manage ongoing traffic issues; are you aware of any developments with that?)

Many thanks, and see you soon,

Rich

Good Morning Rich

Face to Face in Holmfirth Civic Hall is fine.

I have some current diary commitments :

Thurs 9<sup>th</sup> June - unavailable

Mon 13<sup>th</sup>, I will not be go get to Holmfirth before 1pm - so available 1 - 4 pm

Thurs 16<sup>th</sup> June free 10.30 - 13.00

I have provisionally booked the times for both Mon 13 and Thurs 16<sup>th</sup> - as shown above, to prevent anything else from taking either of those slots, until I receive confirmation of your preferred date / time

**CAUTION:** External email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hi Liz

The Parish Councillors seem to prefer a face-to-face meeting in work hours regarding the feasibility of some 20mph limits in the Holme Valley. Is that workable for you? Would you be able to attend the Civic Hall in Holmfirth? We could do a venue at your convenience if you can't.

Times and dates when Councillors can attend are:

1. Thu 9th June 1030-1300
2. Mon 13th June 1100-1600
3. Thu 16th June 1030-1300

Zoom/Teams is an option if you would prefer a virtual meeting.

If you can't make these times/dates, can you give us some alternative dates when you are available?

Look forward to hearing from you.

Kind regards,

Rich
