

To all Members of the Planning Committee

You are hereby summoned to attend a meeting of the **PLANNING STANDING COMMITTEE** to be held in the **EXHIBITION ROOM** at **THE CIVIC, HUDDERSFIELD ROAD, HOLMFIRTH HD9 3AS** on **MONDAY 9 JANUARY 2023** at **700pm** to transact the following business: -

**- AGENDA – (A)**

**Welcome**

**Open Session at Planning**

**7.00 pm**

At the commencement of the meeting, there will be an open session lasting up to 15 minutes, for members of the public to address Members of the Committee in connection with planning applications to be considered at the meeting. This session allows both applicants and objectors to address Members. Any other information relating to items on the agenda will be considered as part of the agenda item.

Issues/concerns/information not related to any item on the agenda will be considered at a later date or referred to the appropriate body.

**2223 117      Public Bodies (Admission to Meetings) Act 1960 amended by the Openness of Local Government Bodies Regulations 2014 on 6 August 2014      7.15 pm**

As Local (Parish and Town) Council meetings can now be recorded, the Chairman to check if any members of the public wish to record the meeting, to ensure reasonable facilities can be provided. The meeting is already being recorded by the Officer for public broadcast via the Holme Valley Parish Council YouTube channel.

**2223 118      To accept apologies for absence      7.16 pm**

**2223 119      To receive Members’ and Officers’ personal and disclosable pecuniary interests in items on the agenda      7.17 pm**

**2223 120      To consider written requests for new DPI dispensations      7.18 pm**

**2223 121      To consider whether items on the agenda should be discussed in private session      7.19 pm**

- Any recording to be halted during such items and members of the public asked to leave the meeting.

**2223 122      To confirm the Minutes of the Previous Meeting      7.20 pm**

- Minutes of the Planning Committee meeting held on 05 December 2022, numbered 2223 99 – 2223 116 inclusive **(B)**

**2223 123      Completed Kirklees Planning Applications List      7.21 pm**

- To note List 2223-07 updated with the views of the Committee. **(C)**

# Holme Valley Parish Council

- 2223 124**      **Kirklees Council - New Planning Applications**      **7.22 pm**
- To consider, new or amended applications received by Kirklees Council from 29 November 2022 to 03 January 2023 inclusive – List 2223-08 enclosed **(D)**
- 2223 125**      **Kirklees Council - Planning Officers' Decisions**      **8.20 pm**
- To note, the list of Decision Notices issued by Kirklees Council for the period 29 November 2022 to 3 January 2023 inclusive **(E)**
- 2223 126**      **Neighbourhood Planning and Reviewing Parish Council Outcomes**      **8.21 pm**
- i.      -      **Conservation Area Awareness**  
To note, the Deputy Clerk has posted one additional conservation area map, - that of [Holme village](#), - to the Facebook Parish Council page, shared to Holmfirth Community. There did not seem to be a relevant Holme Village community page. There was some considered comment again about the lack of monitoring of development within conservation areas.  
As resolved, the Deputy Clerk will continue to share more maps of the local conservation areas over the coming weeks with restatements of the restrictions and duties placed on home and business owners due to the conservation area.  
The Deputy Clerk was tasked with contacting the Conservation Officer Team Leader with a view to co-working on conservation area awareness. This did not prove easy. Deputy Clerk to report.  
To consider, any further action to promote public awareness of local conservation areas.
  - ii.      -      **Lord's Mill**  
As above, to note, with regard to resolving the dereliction of Lord's Mill, the Parish Council was awaiting the appointment of a new Team Leader to the Kirklees Conservation Team. The conservation team were delaying any report or action on Lord's Mill, Honley until that appointment. Deputy Clerk to report.  
To consider, any further actions.
  - iii.      -      **Parish Council Actions from the Neighbourhood Development Plan**  
To note, the Chair has finalised the report on the progress by the Parish Council against the 51 actions of the Holme Valley Neighbourhood Development Plan, taking account of discussions with this Committee. This has been forwarded to the Clerk for inclusion on the Council agenda 6<sup>th</sup> February 2023. Cllrs Blacka and Hogley would both report to that meeting. **(F)**  
To note, Cllr Hogley submitted a short, space-limited article to the January edition of the TiTo Holme Valley noting the 1-year anniversary of the Holme Valley Neighbourhood Development Plan and sharing some of the progress that had been made. **(G)**

# Holme Valley Parish Council

- iv. - **Traffic calming including 20MPH Limits and Zones**
- At the last meeting, it was resolved that the Parish Council would invite Kirklees Holme Valley South ward Councillors to a meeting to discuss traffic calming including asking why Kirklees is not focused on instituting 20mph zones in residential areas. Invitations were emailed out. Deputy Clerk to report.
- At the last meeting, it was resolved that the Parish Council would write to our MP to look for common ground on his campaign for cut speeds on our roads. To consider approving the draft of the letter to send. **(H)**

**2223 127      Peak District National Park Authority      8.30 pm**

- i. - To note List 2223-05PD updated with the views of the Committee. **(I)**
- ii. - To consider, new or amended applications received by the Peak District National Park Authority from 29 November 2022 to 03 January 2023 inclusive – List 2223-06 enclosed **(J)**

**2223 128      Ongoing Highways campaigns      8.33 pm**

The ongoing campaigns are:

- i. **Concerns of local residents regarding speeding and noise pollution on Woodhead Road Holmbridge to Holme**
  - To note, the Deputy Clerk received an email from Mark Scarr 30<sup>th</sup> November 2022 saying that he had passed the Parish Council's request for data from the speed tests at Holme Bank in 2021 to the Road Safety Team. The Deputy Clerk received no contact from the Road Safety Team so, again, 3<sup>rd</sup> January 2023 contacted Mark Scarr to chase the information on the tests. Deputy Clerk to report. To consider any further actions at this time.
- ii. **Campaign for a Safer Magdale**
  - To note, we are still awaiting the speed tests for Magdale which we understood would be completed before Christmas. The Deputy Clerk has emailed Highways about the results of the tests. Deputy Clerk to report.
- iii. **Hade Edge Road Intersection**

No further information on this development at this time.
- iv. **Burnlee Road Closure**
  - To note, Burnlee Road remains closed with no developments at the site as we approach the 2-year anniversary of the roadblock. The Deputy Clerk has emailed Ben Wright for an update on the situation. Deputy Clerk to report. To consider any further actions at this time.

# Holme Valley Parish Council

## v. Ramsden Road

- There have been further exchanges between Will Acornley who is the Kirklees Director overseeing the implementation of the Public Space Protection Order (PSPO) and the physical installation of barriers and Cllr Wilson who continues to be tenacious regarding the situation with the byways around Ramsden, Yateholme and Riding Wood. **(K)**  
Cllr Wilson to report.  
To consider any further actions at this time.

### **2223 129 South Lane landslip 8.40 pm**

- And in a similar development to Burnlee Road, Members are likely to be aware of the land slippage at South Lane. Like Burnlee Road, Kirklees says that this is an issue for the landowner and the landowner's insurers. The landowner argues that they should not be responsible for the collapse of a roadway which was originally built for horses and carts. **(L)**  
To consider any further actions at this time.

### **2223 130 Yellow Lines outside Netherthong Church 8.45 pm**

- A Holmfirth resident contacted the Parish Council about the yellow, no-parking lines outside Netherthong Church. The resident reports that these have not been painted to the full, original extent and that drivers are legally parking where previously they could not. This has in turn sometimes impeded the progress of the 308 bus. The issue has been reported to Kirklees but without resolution.  
To consider any further action at this time.

### **2223 131 Footpaths and Public Rights of Way 8.50 pm**

- Cllr Wilson is the Parish Council's nominated representative to the Kirklees Public Rights of Way Forum. He is unable to attend the next meeting of the group Monday 13 March 2023 at Huddersfield Town Hall in the Council Chambers from 7pm to 9pm.  
To consider, nominating a person to attend in place of Cllr Wilson.

### **2223 132 Pending Planning Application by the Parish Council 8.52 pm**

- To note, Cllr Hogley is to submit a planning application to Kirklees on behalf of the Parish Council for the Holme Moss topograph project. This expenditure has been approved and payment will be resolved after the next Finance and Management Standing Committee meeting. Cllr Hogley to report.

### **2223 133 Remaining Committee Budget 2022-23 8.56 pm**

- The Planning Committee has one budget line under its remit. This is 4505 Neighbourhood Plan. Its purpose is to support initiatives arising from the Holme Valley Neighbourhood Development Plan. At the start of the year, the budget contained £10,000. £3,000 is to be earmarked for the Holmfirth Market project. That leaves £7,000 that can be spent before end March 31<sup>st</sup>, 2023.  
To consider, plans for expenditure of this remaining £7,000. **(M)**

# Holme Valley Parish Council

2223 134

Publicising the work of Holme Valley Parish Council

8.59 pm

- To consider, recent events or news that this Committee wishes to publicise via the press, Parish Council website or social media.

Close 9.00 pm

Please note that timings on the agenda are given for guidance of the Chairman and Committee only and should not be taken as the time at which discussion of a particular item will commence.

*Rich McGill*

Rich McGill  
Deputy Clerk

Holme Valley Parish Council  
Holmfirth Civic Hall, Huddersfield Road, HOLMFIRTH HD9 3AS

Telephone: 01484 687460

Email: [deputy\\_clerk@holmevalleyparishcouncil.gov.uk](mailto:deputy_clerk@holmevalleyparishcouncil.gov.uk)

**DRAFT MINUTES OF THE PLANNING STANDING COMMITTEE HELD AT THE CIVIC, HOLMFIRTH MONDAY  
5 DECEMBER 2022**

Those present:

Chair: Cllr M Blacka

Councillors: Cllr R Hogley, Cllr A Wilson

Officer: Mr Rich McGill (Deputy Clerk/RFO)

**Welcome**

Cllr Blacka welcomed Members and two members of the public to the meeting.

The two members of the public were present to make representation on a single planning application.

**RESOLVED:** The Committee voted to suspend standing orders under item 2223 106 to allow the members of the public to speak when the application was considered, and to move that application up the order of the planning list.

**Open Session at Planning**

After the above resolution, no one chose to speak in the Open Session.

**2223 99 Public Bodies (Admission to Meetings) Act 1960 amended by the Openness of Local Government Bodies Regulations 2014 on 6 August 2014**

Council meetings can now be recorded. The meeting was recorded by the Officer for public broadcast via the Holme Valley Parish Council YouTube channel. No other requests to record the meeting were received.

**2223 100 To approve apologies for absence**

Cllrs Colling, RP Dixon, T Dixon and Green had sent apologies.

**RESOLVED:** The reasons for their apologies were approved by the Committee.

**2223 101 To receive Members' and Officers' personal and disclosable pecuniary interests in items on the agenda**

No interests were declared.

**2223 102 To consider written requests for new DPI dispensations**

None had been received.

**2223 103 To consider whether items on the agenda should be discussed in private session**

No items were requested to be discussed in private session.

# Holme Valley Parish Council

## **2223 104 To confirm the Minutes of the Previous Meeting**

**RESOLVED:** The Minutes of the Planning Committee meeting held on 31 October 2022, numbered 2223 82 – 2223 98 inclusive were confirmed.

## **2223 105 Completed Kirklees Planning Applications List**

**NOTED:** The Planning Committee noted List 2223/06 updated with the views of the Committee.

## **2223 106 New Planning Applications – Kirklees Council**

Members considered new or amended applications received by Kirklees Council from 25 October to 29 November 2022 inclusive – List 2223/07. At this point, the order of the applications was amended so that the members of the public in attendance could have that application heard first. The two members of the public left after that application was heard.

**RESOLVED:** That the Planning Committee's comments on the above applications be forwarded to Kirklees Council by the Deputy Clerk.

## **2223 107 Kirklees Council – Planning Officers' Decisions**

**NOTED:** The Planning Committee noted the list of Decision Notices issued by Kirklees Council for the period 25 October to 29 November 2022 inclusive.

## 2223 108 Neighbourhood Planning and Reviewing Parish Council Outcomes

### i. Conservation Area Awareness

**NOTED:** The Committee noted that the Deputy Clerk had posted two additional conservation area maps to the Facebook Parish Council page, shared to their relevant community pages, - Oldfield to Honley Community and Hinchliffe Mill to Holmbridge Community.

As previously resolved, the Deputy Clerk will continue to share more maps of the local conservation areas over the coming weeks with restatements of the restrictions and duties placed on home and business owners due to the conservation area.

**NOTED:** With regard to improving public awareness on conservation areas, Members noted that the Deputy Clerk had emailed Sebastian Pickles 3 November 2022 and again 29 November 2022 about whether a new team leader had been appointed to the Conservation Team but had received no reply.

There was discussion around the fact that homebuyers were not always advised appropriately by estate agents and solicitors about implications of residing within a conservation area. Members debated how local estate agents and solicitors might be supported to be better informed and to better prepare prospective homeowners on conservation areas. This might be a more detailed consideration if more work was done with Kirklees on developing, for example, a step-by-step guide for home- and business-owners in a conservation area.

Members considered whether to implement any further action to promote public awareness of local conservation areas.

**RESOLVED:** It was resolved that the Deputy Clerk would try to make contact with the Conservation Officer Team Leader at the Kirklees Planning and Development Service.

### ii. Lord's Mill

**NOTED:** As above, no progress had been made by the Officer with regard to resolving the dereliction of Lord's Mill due to a lack of response to communications from the Parish Council sent to Senior Conservation Officers at Kirklees Planning and Development on the mill.

The Kirklees Conservation Team had said previously they were delaying any report or action on Lord's Mill, Honley until the appointment of a Team Leader, but had not responded to questions as to whether a Team Leader was now in post.

**RESOLVED:** It was resolved that the Deputy Clerk would try to make contact with the Conservation Officer Team Leader at the Kirklees Planning and Development Service.

### iii. Parish Council Actions from the Neighbourhood Development Plan

**NOTED:** Members noted that the Chair will finalise the report on the progress by the Parish Council against the 51 actions of the Holme Valley Neighbourhood Development Plan, taking account of discussions with this Committee, for presentation at the 12 December meeting of Council.

**NOTED:** Members further noted that the Parish Council will submit an article to the January edition of the TiTo Holme Valley highlighting the 1-year anniversary of the Holme Valley Neighbourhood Development Plan and sharing some of the progress that had been made. Cllr Hogley would draft the article.

# Holme Valley Parish Council

## iv. **Traffic calming including 20MPH Limits and Zones**

**NOTED:** The Committee noted the letter and accompanying map from Kirklees regarding the proposed traffic regulation order (TRO) for central Holmfirth as part of the Town Centre Access Plan. Members noted that the proposal is for Hollowgate, Victoria Street and for the section of Station Road until past the top bus station entrance to all be 20mph. Changes have also been proposed to parking arrangements and for the pedestrian crossings on Towngate and Victoria Street to be signal-controlled. This is a consultation that all people can comment on. Members noted that this has been shared to Facebook. Cllr Hogley shared her comment that she had passed on to Kirklees planners, that she felt the TRO would be more effective if the 20mph limits matched the Holmfirth town centre shopping area, - that is, that the section of Huddersfield Road with contiguous shops should be included within the 20mph section.

There was also discussion on the proposed installation of signal-controlled crossings.

Councillors were concerned about whether the three sets of lights would be operated synchronously, or whether the pedestrian crossings would be triggered by a user.

There was further discussion on the rearrangement of parking provision.

The Committee considered whether the Parish Council would comment on the plans as a corporate body or whether Councillors would only comment as individuals.

**RESOLVED:** The Committee resolved that the Committee would comment on behalf of the Parish Council highlighting the priority of improved pedestrian experience and of the need to extend the proposed 20mph limit to the central shopping district of Holmfirth including Huddersfield Road. The Committee Chair would draft a response for comment by Members.

At the last meeting, it was resolved that the Parish Council would make contact with Kirklees Holme Valley North and South ward Councillors to arrange a meeting to discuss traffic calming including asking why Kirklees is not focused on instituting 20mph zones in residential areas. The Committee considered when and how this meeting would be arranged.

**RESOLVED:** The Officer would invite Kirklees Councillors for Holme Valley South to attend a meeting with Members of the Planning Committee. The proposed dates for a meeting were Thursday 12<sup>th</sup> January 2023 and Thursday 26<sup>th</sup> January 2023 both at 7pm.

At the last meeting, it was resolved that the Parish Council would write to our MP to look for common ground on his campaign to cut speeds on our roads. Members considered how to action this resolution.

Cllr Wilson had joined the campaign.

**RESOLVED:** Cllr Wilson would draft a letter to Jason McCartney MP supporting his anti-speeding campaign and asking for his support with the Parish Council's 20mph campaigning also noting our reaching out to Kirklees Councillors on this matter.

## **2223 109 Peak District National Park Authority**

- i. Members considered new or amended applications received by the Peak District National Park Authority from 25 October 2022 to 29 November 2022 inclusive – List 2223-05PD.

**RESOLVED:** That the Planning Committee's comments on the above applications be forwarded to the Peak District National Park Authority by the Deputy Clerk.

# Holme Valley Parish Council

- ii. **NOTED:** The Committee noted the list of Decision Notices issued by the Peak District National Park Authority for the period 25 October to 29 November 2022 inclusive.
- iii. The Committee considered a planning appeal for 1 Meal Hill, Holme. The Parish Council's original comment on this application was "No observation. Defer to Peak District National Park Authority Officers."  
**RESOLVED:** That the Parish Council would make no further comment on this application.

## 2223 110 Planning Policy

**NOTED:** Members noted the Parish Council's response to the consultation on the Kirklees Affordable Housing SPD.

**NOTED:** Members noted the updated and very detailed Kirklees Validation Requirements for the Submission of Planning Applications which the Parish Council had previously been consulted on.

## 2223 111 Ongoing Highways campaigns

The ongoing campaigns are:

- i. **Concerns of local residents regarding speeding and noise pollution on Woodhead Road Holmbridge to Holme**

**NOTED:** The Committee noted that the Deputy Clerk had received no reply from Liz Twitchett to his email 1<sup>st</sup> September regarding the speed tests undertaken near Holme Bank, Woodhead Road, Holme and, as resolved by the Parish Council, had escalated the request to Mark Scarr cc'd to Holme Valley South Councillors. Mark Scarr had responded saying he had forwarded the request regarding the speed test results 30<sup>th</sup> November 2022 to the Road Safety Team. The Deputy Clerk reported that he had received no further communications from that team.

Cllr Hogley reported that she had discussed this with Cllr Crook from Kirklees Council who indicated that it may be appropriate for Kirklees Ward Councillors to look into this on behalf of the Parish Council if there is continued inaction.

Members considered recourse to any further actions at this time.

**RESOLVED:** The Deputy Clerk would refer this matter and the non-response of Highways to Holme Valley South Kirklees Councillors after an additional week has passed.

- ii. **Campaign for a Safer Magdale**

**NOTED:** Members noted that additional speed count cables had been installed at Sandbeds (off Magdale, - in addition to those already installed on Magdale and White Gate). Counts will be completed before Christmas.

- iii. **Hade Edge Road Intersection**

**NOTED:** The Committee Chair said that she had no new report to make on this road scheme.

Members considered any further action at this time.

**RESOLVED:** No further action.

# Holme Valley Parish Council

## iv. Burnlee Road Closure

**NOTED:** Members noted that Burnlee Road remains closed with no developments at the site as we approach the 22-month anniversary of the roadblock.

Members shared detail of unofficial conversations they had had about the roadblock regarding enforced legal actions on the householder. The Deputy Clerk reported that there had been no new update from Kirklees.

Cllr Hogley reported that she had had a conversation with Kirklees Councillor, Moses Crook, about the closure. He informed her that there has been a legal action served on the householder which had timed out, and the local authority should be in a position to do the work to the required standard and to bill the insurer for the work.

The Deputy Clerk commented that the communication from Kirklees Officers on such developments is non-existent or, at best, poor.

The Committee considered any further actions at this time.

**RESOLVED:** That the Deputy Clerk would contact Ben Wright, the Kirklees Officer leading on this issue, asking for an official update on the situation.

## v. Ramsden Road

**NOTED:** Members heard that Will Acornley who is the Kirklees Director overseeing the implementation of the Public Space Protection Order (PSPO) and the physical installation of barriers had responded to Cllr Wilson to his email regarding the situation with the byways around Ramsden, Yateholme and Riding Wood.

Cllr Wilson reported that there would be more delays of 3-4 months because Kirklees felt that the PSPO needed to be re-constituted and therefore would be subject, again, to prior public consultation.

**RESOLVED:** Cllr Wilson would write to Will Acornley. He would consult with Cllr Crook.

## 2223 112 Footpaths and Public Rights of Way

Cllr Wilson attended a meeting of the Kirklees Public Rights of Way Forum at Dewsbury Town Hall as the representative of the Parish Council. The meeting was chaired by Graeme West, Service Director Highways and Street Scene.

Cllr Wilson reported on a user consultation on the use of public footpaths in Kirklees which it did not appear had wide engagement.

The next meeting would be 13<sup>th</sup> March 2022 in Huddersfield. Cllr Wilson would not be able to attend.

**RESOLVED:** The Deputy Clerk would ask Cllr Green (or Cllr East if unavailable) if he would attend the Forum meeting in Cllr Wilson's absence.

## 2223 113 Holmfirth Town Centre Blueprint

**NOTED:** Members noted a positive meeting between Zoe Stewart, Programme Manager Local Centres, and the Parish Council's working group held on the 9<sup>th</sup> November 2022.

The project is now called the "Holmfirth Blueprint" rather than "Holmfirth Master Plan." Members noted that information regarding the drop-in consultation sessions about the programme was shared by the Deputy Clerk to social media.

Cllr Hogley commended the engagement by the Local Centres team with the public and complimented the information displays.

# Holme Valley Parish Council

## **2223 114 Consideration of a Recommendation from the Finance and Management Standing Committee**

**NOTED:** The Committee noted that the recommendation to earmark £3,000 from the 4505 Neighbourhood Plan budget line overseen by the Planning Committee for the Holmfirth Market project will be considered by full Council 12 December 2022.

## **2223 115 Committee Budget 2023-24**

**NOTED:** The Committee noted that the Finance and Management Committee had resolved to recommend the Planning Committee's budget for 2023-24 as agreed by this Committee 31<sup>st</sup> October 2022, - 4505 Neighbourhood Plan £3,000.

## **2223 116 Publicising the work of Holme Valley Parish Council**

The Committee considered whether there were any pertinent recent events or news items that it wished to publicise via the press, Parish Council website or social media.

**RESOLVED:** The Deputy Clerk would continue to work on raising awareness regarding the Holme Valley conservation areas via social media, - posting conservation area maps to relevant, village community groups.

Cllr Hogley would draft an article for TiTo for January on the 1-year anniversary of the Holme Valley Neighbourhood Development Plan and some of the progress that has been made over the year.

*The meeting closed at 8.46pm.*

.....  
**Chair**

## Holme Valley Parish Council

Planning applications lodged with Kirklees from **25 10 2022** to **29 11 2022** - **List 2223-07**. The following applications will be considered by Holme Valley Parish Council ahead of the Planning Committee meeting **05/12/2022**. Where appropriate, recommendations will be made to Kirklees Planning Services regarding whether or not they should be approved, but the final decisions will be taken by Kirklees Planning Services.

Local residents can email [deputyclerk@holmevalleyparishcouncil.gov.uk](mailto:deputyclerk@holmevalleyparishcouncil.gov.uk) to submit their views on applications or attend the meeting in person. Alternatively, you could join the meeting via Zoom. Email the Deputy Clerk for a link.

Full details regarding deadline dates for comments and how to submit a comment can be obtained from the Kirklees' website: [www.kirklees.gov.uk/planning](http://www.kirklees.gov.uk/planning)

We have reports that the links to Planning Applications below may not work on some mobile devices. This is an operating system issue. If the links to the applications do not work, go to the [Kirklees Planning Portal](#) and search for applications there using the Application No.

<b>Ward/Councillors:</b>	Upper Holme Valley - KB TB
<b>HVPC Comment:</b>	<p>Oppose on the basis of:</p> <ul style="list-style-type: none"> <li>• Highways safety regarding the frequency of usage.</li> <li>• Nuisance to neighbours (dust, mud, debris on the road). Wheel-washing as practiced does not resolve this.</li> <li>• Impact on water courses (pollution) for people whose water supply comes from wells.</li> </ul> <p>The Parish Council is concerned about apparent non-compliance on prior planning conditions. Should the quarry be extended, the monitoring of future compliance by officers needs to be enforced. The Parish Council further considers that works to resolve previously identified issues are inadequate and not fully realised.</p>
<b>Decision:</b>

<b>Ward/Councillors:</b>	Upper Holme Valley - KB TB
<b>HVPC Comment:</b>	The Parish Council supports the development in principle but questions the suitability of the window designs. The Parish Council considers that the current designs detract from the distinctive vernacular architecture of traditional buildings in the Holme Moorland Fringe locality, - a landscape area of the Holme Valley defined in the Holme Valley Neighbourhood Development Plan. The Neighbourhood Plan states that part of the vernacular character of buildings in this landscape involves use of small windows (historically, to better deal with harsh climatic conditions). Holme Valley Neighbourhood Development Plan p34. This application includes floor-to-ceiling windows upstairs which goes against the vernacular, and therefore opposes the character management principles of the Neighbourhood Plan. The Parish Council further opposes the removal of traditional mullioned windows downstairs on similar heritage grounds.
<b>Decision:</b>

## Holme Valley Parish Council

Planning applications lodged with Kirklees from **29 11 2022** to **03 01 2023** - **List 2223-08**. The following applications will be considered by Holme Valley Parish Council ahead of the Planning Committee meeting **09/01/2023**. Where appropriate, recommendations will be made to Kirklees Planning Services regarding whether or not they should be approved, but the final decisions will be taken by Kirklees Planning Services.

Local residents can email [deputyclerk@holmevalleyparishcouncil.gov.uk](mailto:deputyclerk@holmevalleyparishcouncil.gov.uk) to submit their views on applications or attend the meeting in person. Alternatively, you could join the meeting via Zoom. Email the Deputy Clerk for a link.

Full details regarding deadline dates for comments and how to submit a comment can be obtained from the Kirklees' website: [www.kirklees.gov.uk/planning](http://www.kirklees.gov.uk/planning)

We have reports that the links to Planning Applications below may not work on some mobile devices. This is an operating system issue. If the links to the applications do not work, go to the [Kirklees Planning Portal](#) and search for applications there using the Application No.

## Kirklees Planning Decisions for the period 29/11/2022 - 03/01/2023

No.	Location	Development	HVPC Comment	Kirklees Decision
92340	9, Ryefields, Scholes, Holmfirth, HD9 1XF	Erection of first floor extension	Support subject to no overlooking	Granted
93144	15, Butt Lane, Hepworth, Holmfirth, HD9 1TF	Listed Building Consent for replacement and works to existing windows [within a Conservation Area]	No observations. Defer to Kirklees Conservation Officers.	Granted
92680	Digley Cottages, Bank Top Lane, Holmbridge, Holmfirth, HD9 2QD	Installation of waste Bio-Tank system (package treatment plant) to serve 4 dwellings	Support	Granted
92498	26, Greenhill Bank Road, New Mill, Holmfirth, HD9 1ER	Certificate of lawfulness for proposed demolition of existing shed building and erection of single storey side extension, front porch, rear dormers, single storey shed, and single storey outbuilding to include store, home gym, and swimming pool	"Holme Valley Parish Council have chosen not to make comment on this application."	Part granted/ Part refused
93184	43, The Cutting, Brockholes, Holmfirth, HD9 7HL	Erection of single storey side extension	"oppose the application due to over-intensification of the site as the development is considered to be too close to the boundary."	Granted
92843	Brockholes Methodist Church, Oakes Lane, Brockholes, Holmfirth, HD9 7AR	Change of use from Church and community hall to single dwelling.	Support. The Parish Council wants to commend the applicant for its commitment to air-source heating.	Granted
92542	Brooklands Nursery, Totties Lane, Totties, Holmfirth, HD9 1UJ	Erection of extension to cafe/shop	Support. The Parish Council praised the application for its statement on climate mitigation.	Granted
91674	Hogley Green Cottage, 27, Booth House Lane, Holmfirth, HD9 2QT	Erection of garden pod	Withdrawn / Called In / Turned Away	Withdrawn / Called In / Turned Away

## Kirklees Planning Decisions for the period 29/11/2022 - 03/01/2023

No.	Location	Development	HVPC Comment	Kirklees Decision
93332	20, Mullion Avenue, Honley, Holmfirth, HD9 6GN	Part conversion of existing double garage to living accommodation and infill to entrance canopy	Support providing there is sufficient parking	Granted
93493	27, Springwood Road, Thongsbridge, Holmfirth, HD9 7SJ	Certificate of lawfulness for proposed erection of front porch and rear in-fill extension	Support	Refused
93752	28, Laithe Avenue, Holmbridge, Holmfirth, HD9 2PJ	The proposal is for erection of single storey rear extension. The extension projects 5.4m beyond the rear wall of the original dwellinghouse. The maximum height of the extension is 3.5m, the height of the eaves of the extension is 2.6m		"Not required"
93539	237, New Mill Road, Brockholes, Holmfirth, HD9 7AL	Erection of two semi-detached dwellings with integral garages	No observation. Defer to Kirklees officers.	Refused

Parish Actions from the Neighbourhood Development Plan:		
to be completed working with other organisations		
	<u>Updated November '22</u>	
	<b>ACTION</b>	<b>PROGRESS</b>
<b>Built environment and design</b>	1. Prepare a design handbook with specification of acceptable styles which merge with the local style. This may include examples of what is not acceptable such as out of proportion, window layout etc. This applies to both new build and renovation projects.	Design codes for high quality shop fronts and advertisements (NDP Planning Policy 4)
	2. Encourage Kirklees to produce and implement Conservation Area Appraisals and Conservation Area Management Plans which illustrate the vernacular design for specific areas that should be reflected in new development.	Dialogue established with Sebastian Pickles, KC Senior Conservation Officer, re Conservation Area appraisals.
	3. Encourage enforcement where appropriate within the Conservation Areas.	Discussion at Planning Committee meeting on 15 August on improving the knowledge of residents about the obligations of living in Conservation Areas. (See also Item 20.)
	4. Develop a list of non-designated heritage assets building on the suggested sites in Honley from the Honley Civic Society and initial list of key buildings identified in Holmfirth by the Holmfirth Conservation Group in accordance with Historic England's advice note to put forward to Kirklees Council as part of a Local List of Key buildings. Both lists are provided in Appendix 2.	Dialogue established with Sebastian Pickles, KC Senior Conservation Officer, re non-designated heritage assets. The Local List project is being headed by Leeds City Council. All West Yorkshire councils are feeding into the process. Assessment criteria are currently being developed.
	5. Recommend that any changes to reservoir designs (walls, spillways etc.) be done in a sympathetic way to the local environment, using local materials.	

<b>Built heritage</b>	6. Support community purchases and development where a heritage asset becomes structurally unsafe for use and encourage community ownership of locally important buildings.	Grant funding for Holmfirth Tech. / Asset transfer of Honley Library from Kirklees Council to HVPC. The Library will be run by the Friends of Honley Library.
	7. Support the provision of workshops and or advice to owners of heritage assets possibly through community groups.	Posts on the HVPC facebook page showing the boundaries of the conservation areas in the Holme Valley and outlining the responsibilities of property owners in conservation areas. These posts have been heavily viewed.
	8. Promote and support the adoption of community assets and any redevelopment in sympathetic and financially viable ways.	Financial support given towards the purchase and renovation of Holmfirth Tech, for use by the community. The most recent grant was for the provision of an accessible kitchen. / Purchase of the Civic Hall, Holmfirth and Honley Library to ensure continued community use.
	9. Where an Article 4 Direction is in place, work with Kirklees Council and local stakeholders to protect designated and non-designated heritage assets from harmful change.	
	10. Work with Kirklees Council to identify potential Heritage Action Zones in the Neighbourhood Area such as Holmfirth Town Centre.	Meeting with Zoe Stewart, to discuss the Holmfirth Master Plan. Continuing discussion on how HVPC might be involved in monitoring the delivery of the Master Plan.
	11. Ensure that any new or replaced street furniture such as lighting columns, street-signs, benches and litter bins are designed in a coordinated style which enhances their appearance. This does not preclude allowing bespoke designs to be considered to reflect the character of specific location. This will create a more consistent appearance to street furniture suited to the area concerned.	
	12. Ensure that overhead wiring and road signage within the public realm are installed in a manner with reflects the town or village's character. Redundant electrical infrastructure or signage should be removed to reduce visual pollution associated with new installations.	

<b>Public Realm</b>	13. Ensure that opportunities to develop out-of-sight storage for trade waste bins for existing premises are pursued to reduce unsightly clutter on the public highway.	
	14. Work with traders and shop keepers to discourage the use of A-boards and clutter to keep routes clear for people who may have mobility or visual issues, or for parents with children in buggies.	Accessibility Audit by Square Peg.
	15. Work with Kirklees Council to identify and promote more sustainable approaches to waste management in the Holme Valley which support a hierarchy of reduction, re-use and re-cycling. The provision of more effective recycling and waste facilities will be supported.	Improved trade waste re-cycling for the Civic. On-going work to improve the public realm, carried out by Holme Pride, River Holme Connections etc.
<b>Local economy</b>	16. Support place-making initiatives seeking to build both community and economic value from our unique heritage and environment.	Supporting individual planning applications which involve using heritage assets, eg Devour. / Grant funding to Holmfirth Forward to produce the map of Holmfirth.
	17. Work with local businesses and Kirklees Council to manage opening hours and control litter.	
<b>Community facilities</b>	18. Ensure easy access to good quality education for children and adults.	
	19. Encourage life-long learning by encouraging opportunities for active citizenship, volunteering and participation in the community.	Financial support towards the provision of classes for adults at Holmfirth Tech. / Grants to village halls, including Brockholes, Honley and Upperthong, to maintain easily accessible venues for community participation.
	20. Increase the appreciation and understanding of the environment, the arts and the Valley's cultural and industrial heritage.	Use of the grant programme to support local festivals, including the Folk Festival and the Arts Festival. / Grants to maintain the local sporting heritage, including Underbank Rangers and Holmfirth Cricket Club. / Grants to local brass bands, Hade Edge and Hepworth, maintaining local musical traditions. / Grant to Holmfirth Arts Festival for training for young music makers.

	21. Ensure sufficient health and care facilities are provided to cope with demand and the infrastructure is in place to support the delivery of modern health and social care services, for example improving telecommunication systems to support tele-medicine.	Provision of grant funding for patient transport.
	<b>Traffic Management</b>	
	22. Implement speed limits and traffic calming measures in town and village centres and around schools and homes of vulnerable people.	Discussion with Liz Twitchett, KC Senior Road Safety Officer, in June '22, leading to the identifying of criteria and making a list of village centres, etc where traffic calming measures are urgently needed. Involving all parish councillors.
	23. Implement management of traffic at peak times, particularly around schools and places of employment with one-way systems or drop-off zones considered.	
	24. Work with Kirklees on any future road improvement schemes in Holmfirth to ensure proposals enhance place-making alongside traffic flow.	Support for the planning application for the re-modelling of Holmfirth town centre road scheme.
	25. Share local proposals concerning traffic management on Victoria Street/ Dunford Road / Station Road/ Hollowgate with Kirklees.	As above No. 24.
	26. Work with local residents in villages such as Hade Edge where revised layouts of the road network may improve highways safety.	Discussion with KC Senior Highways Officers in October '21 and involvement of KC councillors in the issues around the Hade Edge road corridor.
	27. Introduce restrictions to HGV access on particular routes and discourage the use of Holmfirth as a diversion for HGVs off trunk roads.	
	28. Support proposals to create 20mph speed limits in residential areas.	See above No. 22. Traffic calming measures will include 20 mph zones/speed limits.
	29. Ensure limited use of warning signs such as dangerous junctions, roads impassable to heavy vehicles or appropriate weight limits with designs being appropriate to the location.	
	30. Introduce and enforce time zones for deliveries in Holmfirth and Honley.	

Traffic, transport & parking	31. Liaise with other bodies in addition to Kirklees Council regarding the impact improvement works to the Woodhead Pass and the proposed Trans-Pennine motorway will have on the Valley.	
	32. Consider the introduction of “priority passing/give way” calming measures on narrow rural roads.	
	33. Ensure that new housing and industrial developments do not exacerbate existing congestion areas, including the centres of New Mill and Holmfirth, and at Honley Bridge.	The Planning Committee frequently raises issues around congestion when commenting on planning applications.
	34. Consider local identification and designation of "Green Lanes" as shared spaces on popular horse riding, walking and cycling routes.	See above No. 22. Traffic calming measures will include designation of green lanes. Support for Magdale Green Lane.
	<b>Public Transport</b>	
	35. Ensure that access means accessible to all regardless of age, ability and cultural background, and eliminating unnecessary barriers.	
	36. Explore opportunities to reduce traffic in town and village centres to improve air quality and health.	Grant for the purchase of an electric cargo bike by the Climate Emergency Committee.
	37. Support proposals to increase the use of shared cars, buses, trains and cycling.	
	38. Ensure good quality public transport is maintained, with subsidies considered where appropriate to support local connectivity with smaller rural villages across the Valley.	Grants to West Yorkshire Metro to support the provision of the local H buses.
	39. Support initiatives by the Penistone Line Partnership and others to encourage and enable the greater use of rail travel, to improve the route between Huddersfield, Sheffield and further afield.	
	40. Investigate the feasibility of renaming Brockholes railway station “Brockholes and Holmfirth” and providing a linked shuttle bus service to Holmfirth town centre.	
41. Encourage better bus/train connectivity to link villages across the valley with train services and support strategic actions to improve parking and facilities at Honley and Brockholes stations.		

	42. The provision of taxi-ranks to support the use of taxis as an alternative means of transport will be supported as long as they align with the other policies in the NDP regarding fitting with the local character and avoiding any noise pollution from idling engines.	
	<b>Sustainable Transport</b>	
	43. Promote infrastructure such as charging points to increase the use of electric vehicles.	
	44. Encourage the introduction of electric buses and taxis in the area to improve air quality.	Grant to purchase an electric delivery bike.
	45. Develop pathways for safer cycling and walking, subject to landowner permissions for access using natural conduits such as the River Holme and maintain existing pedestrian, bridleway and cycle routes.	Grant to Holme Valley River Connections to improve access to riverside walkways.
	<b>Parking Provision</b>	
	46. Investigate the feasibility of providing suitable parking on the edge of Holmfirth to accommodate a "Park and Ride" service.	
	47. Explore innovative ways of creating additional parking in specific areas lacking sufficient provision such as the de-consecration of part of a churchyard, rental of drives in the daytime or use of private land for specific events.	

<b>Sustainability</b>	48. Encourage awareness of a sustainable way of life and the purchase of goods which will last for life, and discourage a throwaway society through effective design, appropriate waste management facilities and education initiatives.	Big Green Event, Co-op car park, September '21. / Delivery of the 'Save the bees', presentation, on the work of HVPC and the climate emergency + gift of bee bombs, wild-flower seeds and a tree, for all 14 schools in the parish council area, in May/June 22. Return visits to all schools in November to plant a tree and deliver certificates. / Repair cafe at the Tech. / Energy audits at the Civic and Honley Library + grants to carry out the required work / Home energy savings booklet. / Development of a comprehensive database to facilitate the sharing of ideas etc / Grants to local groups to help reduce their carbon footprint, eg replacement boilers for Wooldale Community Association and solar batteries for Hepworth United AFC.
	49. Consider the provision of a free water fountain in Holmfirth to encourage the re-use of drinking bottles.	A water fountain has been installed on the side of the toilets in Holmfirth.
	50. Seek to engage with local environmental groups to explore how they can best support their initiatives to increase biodiversity and increase local understanding and appreciation of the natural environment.	Establishment of the Holme Valley Climate Action Partnership.
	51. Encourage proposals to increase the level of recycling of waste. Retail development must demonstrate how they will manage and reduce their waste in planning statements or other supporting documents. These should include proposals to support the principle of plastic free living.	Grant for the provision of refundable plastic glasses for festivals.

# Holme Valley Parish Council

NEWS - January edition

## Celebrating the late Queen's 'Treebilee'

Hepworth J&I.

We were delighted to complete the second part of our Queen's Jubilee Wildflower and Tree Planting Project last month. Councillors and members of our Climate Emergency Committee visited all 15 schools in the Valley to plant a tree with their students to commemorate the late Queen's Platinum Jubilee.

Each tree is now part of the Queen's Green Canopy and can be viewed on their website. Marked by appropriate plaques, we look forward to our young tree guardians watching these hazel, birch, crab apple and rowan trees grow in the school grounds as a lasting reminder of our late monarch.

Honley Juniors

The tree-planting followed on from our visits to all schools in the summer when we gave assemblies on local climate action, the Parish Council's role and the Queen's Jubilee to over 3300 children across the valley. We gave all schools large packs of wildflower seeds to plant in their grounds as well as giving

Felicity Honley J&I

every primary school child a 'bee bomb' so they could 'Plant the Seeds to Save the Bees!' in their gardens, on verges or in pots. Children also designed posters to celebrate the project. To find out more about helping the Holme Valley be carbon neutral by 2030, visit [www.holmevalleyclimateaction.co.uk](http://www.holmevalleyclimateaction.co.uk) Home - Holme Valley Climate Action Visit our website to learn more. [www.holmevalleyclimateaction.co.uk](http://www.holmevalleyclimateaction.co.uk).

If we all do the small things, together we can make a big difference.

*Cllr Rachel Hogley*

## First Anniversary of the Holme Valley Neighbourhood Development Plan!

The Holme Valley Neighbourhood Development Plan (HVNDP) was formally adopted by Kirklees Council on 8th December 2021 and since then has been influencing planning decisions in our area. Our Planning Committee has been pleased to see its increasing visibility in planning applications with Kirklees officers now considering its policies about our landscape, heritage and local identity. Councillors use the HVNDP to achieve a better mix of housing, sensitively designed developments and to highlight the need for more sustainability measures and biodiversity.

*Cllr Rachel Hogley*

## HOLME VALLEY PARISH COUNCIL

Holmfirth Civic Hall  
Huddersfield Road  
Holmfirth HD9 3AS

Clerk to the Council: Jen McIntosh  
Deputy Clerk to the Council: Richard McGill

Phone No: 01484 687460  
E-mail: [clerk@holmevalleyparishcouncil.gov.uk](mailto:clerk@holmevalleyparishcouncil.gov.uk)  
[deputyclerk@holmevalleyparishcouncil.gov.uk](mailto:deputyclerk@holmevalleyparishcouncil.gov.uk)

Dear Jason,

We note with interest your campaign for increased spending on Road Safety. This closely aligns with our own campaign at the Holme Valley Parish Council. We understand that some members of the Parish Council have already joined your campaign as individuals.

We thought that you might be interested to know what we have done so far. We are focussing our efforts on the introduction of 20MPH Zones in our village centres and other areas, identified by residents and councillors.

This has been driven by:-

- Local consultation as part of the Neighbourhood Development Plan in which "improving traffic featured as the number one thing people would like to see addressed in the valley". Alongside this, "the 9th highest concern was the need to slow down traffic"
- Local resident requests to the HVPC, such as those from the Holmbridge and Hade Edge communities, regarding excessive speeds, noise and pollution.

We have met with Kirklees Officers on this issue but did not make significant progress. Officers pointed us to the recent Speed Limit review across the whole of Kirklees. Unfortunately, this does not deal directly with 20MPH Zones. The current policy on 20MPH limits/zones is several years out of date and it is suggested that it will be "within 4 years" before there is an update.

The only concession towards 20MPH Zones seems to be the proposed introduction of "School Streets". Whilst welcome, this does not address the wider concerns of local communities and given that only £600K is available from 2023/24 budget, progress will be severely restricted.

Yours sincerely,

Rich McGill  
Deputy Clerk and Responsible Finance Officer to Holme Valley Parish Council

## Holme Valley Parish Council

**Planning applications lodged with the Peak District National Park Authority from 25 10 2022 to 29 11 2022 - List 2223-05PD.** The following applications will be considered by Holme Valley Parish Council at the Planning Committee meeting **05/12/2022**. Where appropriate, recommendations will be made to the Peak District National Park Authority Planning Services regarding whether or not they should be supported, but the decisions will be taken by the Peak District National Park Authority Planning Services.

Local residents can email [deputyclerk@holmevalleyparishcouncil.gov.uk](mailto:deputyclerk@holmevalleyparishcouncil.gov.uk) to submit their views on applications or attend the meeting in person. Or contact the Deputy Clerk to attend via a Zoom link.

On 20/12/2022 16:59, Will Acornley wrote:

Hi Andy,

I have noted your concerns over the ongoing ASB and would continue to recommend you contact the police to tackle it, who have the powers to do so.

Whilst I have also recognised there is an impact on the local road users and community, the Council does have limited resources and many significant demands and challenges placed on it, especially when compared to areas such as Erewash. Whilst Kirklees may seem a large organisation, we are in fact one of the lowest funded local authorities per head in the Country. Our annual budget for maintaining our entire PROW network is only £50k, which equates to 5 or 6 small projects a year. Had I not appreciated this local impact and continued to push to secure alternative funding then unfortunately I would have been reporting that we would be taking no further action in this instance.

We are now in a position where the procurement of the gates has commenced, and we are planning the consultation process with our legal team. I will pass on your concerns over the previous process so we can take them onboard,

Kind regards,

Will

**Subject:** RE: RE: Yateholme / Ramsden Road PSPO

**CAUTION:** External email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hi Will,

Thanks for your email dated 29th November.

Can I point out that it was around 4 years ago that Kirklees decided to restrict access to this route and almost 2 years since the PSPO process was put in place.

Progress "on the ground" has been precisely zero during the intervening 4 years....the damage to the road surface has continued, fly tipping and other anti-social behaviour is commonplace.

I think the residents and other legitimate users of this road are owed some concrete timescales for the conclusion of the process; we have heard a constant stream of "excuses" for the lack of progress and it seems from your latest email that this continues...3 to 4 months

for another public consultation on the PSPO for example.

If you are serious about bringing this to a conclusion please respond with firm commitments; this can only be described as a minor project and after 4 years any Project Manager MUST have details and a time plan of the project.

Can I also add that if you are repeating the consultation process, it would be of benefit to carry this out in a much more comprehensive fashion; the previous consultation left several groups out of the process to the detriment of the final offering.

I once again suggest that you contact Erewash Council who carried out a much better process.

I might also add that they completed the process and have the solution up and running in a much more reasonable time frame than Kirklees; this from a council with far less resources available!

Best regards

Andy Wilson  
Holme Valley Parish Council

Subject: RE: RE: Yateholme / Ramsden Road PSPO

Hi Andy,

Some quick responses below:

- Why has it only just been decided to consult with Yorkshire Water when the PSPO dates back to 2021? How would drainage affect the installation of barriers or gates?
  - The consultation is in specific relation to the drainage requirements, which dictate the surface repairs and materials used. We did not want to put something in place that would then need to be undone later.
- What does "re-starting the PSPO" involve and what are the timescales for this?
  - This will mean a new public consultation and evidence gathering phase ahead of enacting the PSPO, which can be a 3-4 month process to complete.
- Although you imply that there will be a March 2023 deadline (end of financial year) action is required before winter to avoid the ongoing ASB (another case of Fly-Tipping this week) and the damage being done to the road surface. This is already in a very poor state and will need attention by Kirklees so the sooner the damage is restricted, the easier and less expensive the repair.
  - We wish to see the damage halted as much as everyone else here, and the discussions with YW have been around finding a surface that not only allows the right drainage but is resistant enough to stand up to the 4x4s and essentially make it less interesting for them to drive on longer term. We do though have limited resources that are managing across the whole of Kirklees, which affects the speed with which we can move things forward.
- What are the "other interventions" that you mention? I am not aware of any on this route other than

the TTRO by Yorkshire Water.

- We have closed some other routes under emergency TROs, such as Cheesgate Nab, by dropping concrete blocks on them, to undertake some repairs. This has 'broken up' the driving route for many of the 4x4s as a consequence. We did review if this could be done for Ramsden road, however the level of access needed meant it was not workable.

Kind regards,

Will

Good afternoon Will,

Thanks for your email below regarding Yateholme / Ramsden road.

Inevitably your response has raised a number of questions and I would be grateful for your early response.

- Why has it only just been decided to consult with Yorkshire Water when the PSPO dates back to 2021? How would drainage affect the installation of barriers or gates?
- What does "re-starting the PSPO" involve and what are the timescales for this?
- Although you imply that there will be a March 2023 deadline (end of financial year) action is required before winter to avoid the ongoing ASB (another case of Fly-Tipping this week) and the damage being done to the road surface. This is already in a very poor state and will need attention by Kirklees so the sooner the damage is restricted, the easier and less expensive the repair.
- What are the "other interventions" that you mention? I am not aware of any on this route other than the TTRO by Yorkshire Water.
