Holme Valley Parish Council

Section 137 expenditure

Financial Year 2019 to 2020

Section 137 of the Local Government Act 1972 enables local councils to spend a limited amount of money for purposes for which they have no other specific statutory expenditure. Some Section 137 expenditure is via grants to other community organisations and some is via a direct payment by the Council to a supplier.

The maximum amount a Council has for Section 137 spending is determined by the number of voters multiplied by an allowance. In the financial year 2019-20 the Parish Council had 10,000 voters and the allowance was set at £8.42 = £81,200 total
