

# PARISH COUNCIL NEWS

## Annual Parish Report available

FOR the Annual Parish Meeting, Rachel Hogley, Chair of Holme Valley Parish Council, reported on the varied work of the Council over her time as Chair.

You can read her report via the Parish Council website or, alternatively, watch the presentation on the Parish Council's YouTube channel.

You might be surprised at all the stuff that's going on.

Annual Report of the Parish Council  
2020-21

Chair, Cllr Rachel Hogley

Since last year, the Parish Council has asked local community groups to forecast their future funding needs. This helps the Parish Council to plan our spending and financial management. Accordingly, the Parish Council is asking community groups to complete Expressions of Interest forms for funding for the next financial year, from April 2022 to May 2023. Go to the Parish Council's website, [holmevalleyparishcouncil.gov.uk](http://holmevalleyparishcouncil.gov.uk), to download a form.

## Grants recently awarded to groups

THE Parish Council is always keen to support local community resources and services particularly in difficult times.

This month the Parish Council's Community Assets Support Committee has made the following awards:

■ £2,000 to Cartworth Moor Cricket Club towards

the purchase of new shutters, internal doors and windows in the pavilion.

■ £3,000 to Hade Edge Band Room towards purchase of a new piano.

■ £5,000 to Honley Village Hall towards roof repairs.

■ £5,000 to The Friends of Netherthong School towards the establishment of a running track in the

school grounds.

■ £3,350 to Uppertong Village Hall towards the provision of a new damp proof course and roof repairs.

■ £4,930.60 to River Holme Connections towards the further refurbishment of the riverside path between Digley reservoir and Armitage Bridge.

## Keep your eye out for the sign

**THIS is the sign that our maintenance contractor, John, displays when he is working in your communities on behalf of the Parish Council.**

Things that John and his team maintain that you may not be aware of are Holmfirth public toilets, the hundreds of benches we have across the valley, our bus

shelters, war memorials and adopted red phone boxes and the closed graveyard in New Mill.

John also undertakes special work on behalf of the Council like installing the drinking fountain at Holmfirth toilets.

Watch out too for our new noticeboards. And, if you see his new sign, give John a wave!
