Purpose for which the grant was awarded	Childrens Halloween Fancy Dress Party and Halloween Crafting

The Story of Your Project

- *Tell us what you did with the money awarded to you*
- *Attach a few photos*

Following the success of previous years Halloween events which have included pumpkin crafting, children's arts & crafts and a village scarecrow trail, this year we wanted to raise the bar a little further by holding a Halloween Fancy Dress party for all the family to enjoy. Along with this and following the success of last year we held a Children's crafting and pumpkin crafting workshop so that the children could bring along their pumpkins and get creative with their designs ahead of Halloween.

The party was held at the Village Hall, Honley on Sunday 27th October where the children were entertained by DJ Andy, a well known and liked DJ by all the children - dancing, party games and prizes were all part of the fun along with food and refreshments for all (including the parents / guardians). The party was a total sell out and attended by 50 children plus parents / guardians. The Village Hall was decorated with Halloween decorations and looked spooktacular. While the party was naturally centred around the children we were keen for mum's, dad's and guardians to get involved with dressing up, our volunteers dressed up too. All the children looked amazing in their fancy dress, they all made such an effort and it was a delight to see.

The Story of Your Project contd.

On Saturday 26th October we held the Children's halloween pumpkin crafting event which again was a huge success with c45 children & parents/guardians coming to take part. Again the event was held at the village hall, Honley and not only offered a place for children to come and get creative but we also offered free refreshments and biscuits. It's a wonderful workshop with all the tools provided, all the children got involved with the parents. This event is loved by the parents as much as the children, they can all make as much mess as they like as its not in their house :-)

There were some great pumpkins that left to be displayed in their yard ahead of Halloween.

The money from the grant paid for the DJ & the print of the posters/tickets.

Both events were very well attended and enjoyed by all and we very much look forward to being able to offer them again to the community next year.

A huge thank you to Holme Valley Parish Council for the grant provided to help us to create fun and happy memories for the children and families of the local community.

What you achieved

What were the benefits of your project?	To bring children and families from the local community together to celebrate Halloween, have fun together and make lasting memories.
